- Intention not to raise objection to a delegated act

---

1. The Commission has submitted the above delegated act <sup>1</sup> to the Council in accordance with the procedure set out in Article 290 TFEU and in particular Article 10(5) and (6) of Regulation (EU) No 525/2013 of the European Parliament and of the Council of 21 May 2013 on a mechanism for monitoring and reporting greenhouse gas emissions and for reporting other information at national and Union level relevant to climate change and repealing Decision No 280/2004/EC <sup>2</sup>. The Commission having notified the delegated act on 13 July 2015, the Council may object to it until 13 October 2015.

<sup>2</sup> OJ L 165, 18.6.2013, p. 13.

2. The Working Party on Environment has examined the delegated act and agreed that there are no grounds for the Council to object it.
  
3. It is therefore suggested that Coreper recommends that the Council confirms that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into in accordance with Article 2 of the Delegated Regulation.
