Amended proposal for a

COUNCIL DECISION

on the conclusion of the Air Transport Agreement between the European Community and its Member States, of the one part, and the United States of America, of the other part

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE PROPOSAL

On 25 and 30 April 2007, the European Community and its Member States, of the one part, and the United States of America, of the other part, signed an Air Transport Agreement ('the EU/USA Air Transport Agreement'). That agreement was intended, inter alia, to facilitate the expansion of international air transport opportunities by opening access to markets and maximising benefits for consumers, airlines, workers and communities on both sides of the Atlantic ocean.

As regards the EU side, both the Union and its Member States are Parties to this Agreement. The ratification process has been completed by the Member States in 2014. The Republic of Croatia will accede to the Agreement in accordance with the procedure provided for in the Act concerning the conditions of accession of Croatia to the EU.

The proposal at issue modifies the initial proposal of the Commission (2006/0058 (CNS))¹, with a view notably to take account of the entry into force of the Treaty of Lisbon. In order to ease examination by the Council, the whole of the relevant text is submitted as amended proposal.
