DELECT 121 + ADD 1 - 6

Subject: COMMISSION DELEGATED DECISION of 15.9.2015 supplementing
Decision No 1104/2011/EU of the European Parliament and of the Council
as regards the common minimum standards to be complied with by the
competent PRS authorities
- Intention not to raise objection to a delegated act

1. On 15 September 2015, the Commission submitted the above mentioned delegated act to the Council in accordance with Article 290 of the TFEU and Article 8 of Decision No 1104/2011/EU of the European Parliament and of the Council of 25 October 2011 on the rules for access to public regulated services provided by the global navigation satellite system established under the Galileo programme^[1]. The Commission having notified the delegated act on 15 September 2015, the Council may object to it until 15 November 2015.
2. At its meeting on 14 October 2015, the Working Party on Transport Intermodal Questions and Networks examined the delegated act and requested the Council Security Committee to give its opinion on the security aspects of the Common Minimum Standards (CMS).

^[1] OJ L 287, 4.11.2011, p. 1.

3. The Working Party on Transport Intermodal Questions and Networks, on the basis of its own examination and of the positive opinion of the Council Security Committee of 21 October 2015 (doc. 13268/15), agreed that there are no grounds for the Council to object to the above-mentioned Commission delegated decision.
 4. It is therefore suggested that Coreper recommend that the Council confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act will be notified to the Member States by the Commission and will take effect upon such notification.
