"I/A" ITEM NOTE

From: General Secretariat of the Council

To: Permanent Representatives Committee (Part 1)/Council

No. Cion doc.: 15744/13 ENT 301 MI 967

Subject: COMMISSION DELEGATED REGULATION (EU) No .../.. of 24.10.2013 supplementing Regulation (EU) No 168/2013 of the European Parliament and of the Council with regard to vehicle functional safety requirements for the approval of two- or three-wheel vehicles and quadricycles (Text with EEA relevance)

- Intention not to raise objection to a delegated act

1. The Commission has submitted the above delegated act to the Council in accordance with the procedure set out in Article 290 TFEU and Articles 18(3), 20(2), 22(5) and 54(3) of Regulation (EU) No 168/2013 on the approval and market surveillance of two- or three-wheel vehicles and quadricycles¹. The Commission having notified the delegated act on 24 October 2013, the Council could object to it until 24 December 2013.

¹ OJ L 60, 2.3.2013, p. 52.

2. The Working Party on Technical Harmonisation (Motor Vehicles) has examined the delegated act by a written procedure initiated on 7 November 2013 and silently agreed that there are no grounds for the Council to object it.

 3. It is therefore suggested that the Permanent Representatives Committee recommend that the Council confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the twentieth day following its publication in the Official Journal of the European Union in accordance with Article 25 of the Delegated Regulation.
