BRUSSELS, 16/11/2015

GENERAL BUDGET - 2015 SECTION III - COMMISSION TITLES: 01, 02, 03, 04, 05, 06, 07, 08, 09, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, A3

#### TRANSFER OF APPROPRIATIONS N° DEC 40/2015

#### INTRODUCTION

The present request for transfer of appropriations of EUR 9 278 000 intends to cover the Commission's needs of administrative expenditure in Heading 5 relating to:

- 1) The payment of salaries of officials of the EU at headquarters (XX 01 01 01 01) for which an additional need of EUR 9 000 000 has been identified until the end of the financial year 2015 for the following reasons:
  - Expenditure relating to the annual adjustment of salaries and pensions as of 1st July 2015 has been included in the 2015 budget at a rate of 1.7%. However, the final rate established in the Commission report according to Article 65(1), to be adopted by mid-November, is 2.4%, i.e. 0.7 percentage point higher than initially estimated.
  - The appropriations relating to pensions, as voted in the 2015 budget, were calculated on the basis of an estimated number of beneficiaries as at 31/12/2015. According to a revised estimate, the total number of staff leaving on retirement by that date is expected to be lower and thus continue to be paid from the salaries budget lines in 2015. (N.B.: The Commission section covers pensions of retired staff from all Institutions.)
  - The salary appropriations proposed in the draft budget 2016 have been calculated on the basis of an average occupancy rate of the authorised establishment plan of 96.6 %. However, this occupancy rate has already been reached at present at headquarters, and appropriations are not sufficient to proceed with recruitments.
- 2) A need for additional appropriations of EUR 278 000 in the context of the current refugees' crisis in order to enable the Commission to recruit interim staff in view of responding to the most urgent short term needs, and to reinforce its mission budget to enable the necessary missions to the countries which are most touched by the migration crisis (Italy, Croatia, Greece, Slovenia) and which were not foreseen in the 2015 budget:
  - EUR 90 000 (18 01 02 01 External personnel in the 'Home affairs' policy area);
  - EUR 188 000 (18 01 02 11 Other management expenditure in the 'Home affairs' policy area).

The Commission proposes to cover these needs by a transfer of appropriations from budget lines for which the estimates of requirements up to the end of the year show EUR 22.8 million of available appropriations, namely:

- a) EUR 6.2 million from the following six salary and pension related budget lines:
  - EUR 1 799 997 (XX 01 01 02 Expenditure related to Commission officials and temporary staff working in Union delegations) due to a higher than estimated vacancy rate in the delegations throughout 2015, after taking into account the impact of the revised salary and pension adjustment parameter;
  - EUR 1 650 000 (30 01 15 01 Pensions, invalidity allowances and severance grants), due to the lower than estimated number of beneficiaries as described above, after taking into account the impact of the revised salary and pension adjustment parameter;
  - EUR 800 000 (30 01 13 01 Temporary allowances), due to a lower than estimated number of former Commission Members benefiting from transitional allowances:

- EUR 1 250 000 (30 01 14 01 Allowances for staff assigned non-active status, retired in the interests of the service or dismissed) due to a lower than estimated number of beneficiaries;
- EUR 150 000 (30 01 16 01 Pensions of former Members of the European Parliament) due to a lower than estimated number of former Members retiring in 2015;
- EUR 550 000 (30 01 16 03 Pensions of former Members of the European Commission) due to a lower than estimated number of former Commission Members retiring in 2015.
- b) EUR 16.6 million from the following fourteen budget lines related to administrative expenditure in several policy areas:
  - EUR 10 000 (02 01 02 11 Other management expenditure in the 'Enterprise and industry' policy area);
  - EUR 653 003 (04 01 02 11 Other management expenditure in the 'Employment, social affairs and inclusion' policy area);
  - EUR 50 000 (05 01 02 11 Other management expenditure in the 'Agriculture and rural development' policy area);
  - EUR 300 000 (24 01 07 European Anti-fraud Office OLAF);
  - EUR 122 000 (25 01 02 01 External personnel in the 'Commission's policy coordination and legal advice' policy area);
  - EUR 310 000 (25 01 07 Quality of legislation Codification of Union law);
  - EUR 350 000 (25 01 08 Legal advice, litigation and infringements Legal expenses);
  - EUR 2 719 000 (27 01 02 09 External personnel Non-decentralised management);
  - EUR 5 462 000 (27 01 02 19 Other management expenditure Non-decentralised management);
  - EUR 3 000 000 (31 01 07 01 Interpretation expenditure);
  - EUR 3 200 000 (31 01 08 01 Translation expenditure);
  - EUR 64 000 (31 01 09 Interinstitutional cooperation activities in the language field);
  - EUR 130 000 (31 01 02 01 External personnel in the 'language services' policy area);
  - EUR 256 000 (31 01 02 11 Other management expenditure in the 'language services' policy area).
- 3) As the salary and pension appropriations in the Draft Budget 2016 have been calculated with a revised 2015 adjustment rate of 1.2% (i.e. half of the final rate of 2.4% established in the report from Eurostat), the Commission proposes to transfer the remaining EUR 13 548 000 available in 2015 (once the above transfer of EUR 9 278 000 to salaries and pensions is taken into account) to the line covering expenditure on Commission buildings in Brussels (26 01 22 02), so that the rent and other payments due for the early months of 2016 (which must be paid before 1 January 2016) can be charged on the 2015 budget rather than the 2016 budget. This will make room in the 2016 budget, thus enabling the Commission to reallocate to salaries and pensions part of the appropriations originally budgeted for buildings, and thus cover at least part of the additional expenditure resulting from the higher than originally expected adjustment rate.

During 2016, the Commission will submit a request to the budgetary authority to transfer a corresponding amount back to the salaries and pension lines, and thereby reduce, as far as possible, any request for additional appropriations in 2016.
