LEGISLATIVE ACTS AND OTHER INSTRUMENTS

Subject: COUNCIL REGULATION amending Regulation (EU) No 1387/2013
suspending the autonomous Common Customs Tariff duties on certain
agricultural and industrial products

COUNCIL REGULATION (EU) 2015/...

of ...

**amending Regulation (EU) No 1387/2013
suspending the autonomous Common Customs Tariff duties
on certain agricultural and industrial products**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 31 thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) It is in the interest of the Union to suspend totally the autonomous Common Customs Tariff duties on 110 products that are not currently listed in Annex I to Council Regulation (EU) No 1387/2013¹.
- (2) It is no longer in the interest of the Union to maintain the suspension of autonomous Common Customs Tariff duties on 41 products that are currently listed in Annex I to Regulation (EU) No 1387/2013. Those products should, therefore, be deleted from that Annex.
- (3) It is necessary to modify the product descriptions of 45 products, the autonomous Common Customs Tariff duties of which have been suspended, currently listed in Annex I to Regulation (EU) No 1387/2013 in order to take into account technical product developments and economic trends in the market, or to carry out linguistic adaptations. Moreover, in the light of upcoming changes in the Combined Nomenclature as of 1 January 2016, the CN codes for 22 products should be amended.
- (4) It is also necessary, in the interest of the Union, to amend the end date for the mandatory review of 148 products currently listed in Annex I to Regulation (EU) No 1387/2013 in order to allow duty free imports beyond that date. The autonomous Common Customs Tariff duty suspensions for those products have been reviewed and new revised dates should be set for their next mandatory review.

¹ Council Regulation (EU) No 1387/2013 of 17 December 2013 suspending the autonomous Common Customs Tariff duties on certain agricultural and industrial products and repealing Regulation (EU) No 1344/2011 (OJ L 354, 28.12.2013, p. 201).

- (5) In order to allow appropriate statistical monitoring, the current Annex II to Regulation (EU) No 1387/2013 should be updated, taking into account the changes to the list of products in Annex I to that Regulation.
- (6) In the interest of clarity and rationality, the current Annexes I and II to Regulation (EU) No 1387/2013 should be merged.
- (7) As a result of the merger of Annexes I and II to Regulation (EU) No 1387/2013 and in the interest of a better management of the autonomous suspension scheme, certain provisions of that Regulation should be amended.
- (8) Regulation (EU) No 1387/2013 should therefore be amended accordingly.
- (9) Since the amendments pursuant to this Regulation should take effect from 1 January 2016, this Regulation should apply from that date.
- (10) However, in order to adequately ensure the benefit of the suspension with regard to the competitive capacity of the enterprises concerned by one product, the suspension relating to that product should apply from 1 January 2015,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EU) No 1387/2013 is amended as follows:

- (1) In Article 1, the words ‘Annex I’ are replaced by the words ‘the Annex’.
- (2) Article 2 is amended as follows:
 - (a) in paragraph 1, the words ‘Annex I’ are replaced by the words ‘the Annex’;
 - (b) paragraph 2 is replaced by the following:
 - ‘2. The Commission shall review the suspensions for products listed in the Annex during the year preceding the end date for mandatory review provided for in that Annex.’.
- (3) Article 3 is replaced by the following:

‘Article 3

Where a declaration for release for free circulation is presented for the products in relation to which the supplementary units have been provided in the Annex, the exact quantity of the products imported shall be entered in “Box 41: Supplementary units” of that declaration using the measurement unit set out in the Annex.’.
- (4) Annexes I and II are replaced by the text set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

It shall apply from 1 January 2016.

However, the suspension relating to the product with CN code 'ex 3824 90 92' and TARIC code '88' shall apply from 1 January 2015.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

For the Council

The President

- (1) Suspension of duties is subject to end-use customs supervision in accordance with Articles 291 to 300 of Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code (OJ L 253, 11.10.1993, p. 1).
- (2) However, the suspension of tariff duties does not apply where the processing is carried out by retail or catering undertakings.
- (3) Only the *ad valorem* duty is suspended. The specific duty shall continue to apply.
- (4) A surveillance of imports of goods covered by this tariff suspension shall be established in accordance with the procedure laid down in Article 308d of Regulation (EEC) No 2454/93.
- (5) CUS (Customs Union and Statistics Number) is assigned to each ECICS record (product). ECICS (European Customs Inventory of Chemical Substances) is an information tool managed by the European Commission, General Directorate for Taxation and Customs Union. More information can be found via the following link: http://ec.europa.eu/taxation_customs/common/databases/ecics/index_en.htm.
- (6) The expression 'industrial assembly' refers to the production of new items in an assembly plant or manufacturing plant.
- * A newly introduced measure or a measure with amended conditions.
