(1) This evidence of formal qualification entitles the holder to automatic recognition when it is issued to the nationals of Member States who obtained qualification in Ireland.

(2) This information on the evidence of qualifications was included to ensure that graduates trained in Ireland would be entitled to automatic recognition without the need for actual registration in Ireland, such registration not being part of the qualification process.

(3) This information on the evidence of qualifications replaces previous entries for the UK in order to ensure that graduates trained in the United Kingdom would be entitled to automatic recognition of their qualification without the need for actual registration, such registration not being part of the qualification process.
