Subject: Commission Directive amending Directive 2007/59/EC of the European Parliament and of the Council as regards language requirements (Text with EEA relevance)  
- Decision not to oppose adoption (Regulatory procedure with scrutiny)

---

1. The Commission has submitted the above draft Commission Directive to the Council for scrutiny in accordance with the procedure set out in Article 5a(3)(a) of Council Decision 1999/468/EC<sup>1</sup>.
2. The Commission having submitted the draft Directive on 12 January 2016, the Council may decide until 12 April 2016 to oppose its adoption, in accordance with Article 31 of Directive 2007/59/EC<sup>2</sup>. The measures provided for in this draft Directive are in accordance with the opinion of the relevant Committee.

<sup>1</sup> Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission (OJ L 184, 17.7.1999, p. 23).

<sup>2</sup> Directive 2007/59/EC of the European Parliament and of the Council of 23 October 2007 on the certification of train drivers operating locomotives and trains on the railway system in the Community (OJ L 315, 3.12.2007, p. 51-78).

3. The Working Party on Land Transport was invited to examine the draft measures and to submit comments by 12 February 2016<sup>3</sup>. Delegations did not provide any indication that there is any reason to oppose the draft measures in question on the grounds described in Decision 1999/468, namely that they:
- exceed the implementing powers provided for in the basic instrument; or
  - are not compatible with the aim or the content of the basic instrument; or
  - do not respect the principles of subsidiarity or proportionality.
4. The Permanent Representatives Committee is therefore invited to recommend to the Council to confirm that there are no grounds for opposing the draft measures. This implies that, unless the European Parliament opposes the draft Directive within three months from its submission, the Commission shall adopt it in accordance with Article 5a(3)(d) of Council Decision 1999/468/EC.
