**Joint statement by the Commission and the European Parliament**

The European Parliament and the Commission understand point (f) of Article 20(2) of this Directive as allowing Member States to reject an application only on a case-by-case basis and taking into account the specific circumstances of the third-country national and the principle of proportionality and on the basis of evidence or serious and objective reasons. The Commission will ensure that Member States implement this provision in line with this interpretation when transposing the Directive, and will inform the Parliament and the Council thereof, in the framework of its obligations under Article 39.

The European Parliament and the Commission consider that the inclusion of this provision in this Directive should not constitute a precedent for future legal migration instruments.
