In accordance with Article 7(5) of Regulation (EC) No 1331/2008, decisions updating the Union list can be adopted on the grounds of efficiency by the regulatory procedure with scrutiny with curtailed time-limits (2 months) for the European Parliament and the Council to oppose such measures.

5. Under the regulatory procedure with scrutiny with curtailed time-limits for efficiency measures, the Council, acting by qualified majority, may oppose within 2 months the Commission's adoption of the draft Regulation on the grounds that the draft measures presented by the Commission:
  - exceed the implementing powers provided for in the basic instrument; or
  - are not compatible with the aim or the content of the basic instrument; or
  - do not respect the principles of subsidiarity or proportionality.
6. The delegations were asked on 24 February 2016 to indicate until 1 March 2016 their possible opposition to the draft Regulation. The delegations did not raise any of the above-mentioned grounds for opposition.
