

INTERNAL AGREEMENT
BETWEEN THE REPRESENTATIVES OF THE GOVERNMENTS
OF THE MEMBER STATES OF THE EUROPEAN UNION,
MEETING WITHIN THE COUNCIL,
ON THE FINANCING OF EUROPEAN UNION AID
UNDER THE MULTIANNUAL FINANCIAL FRAMEWORK
FOR THE PERIOD 2014 TO 2020, IN ACCORDANCE
WITH THE ACP-EU PARTNERSHIP AGREEMENT,
AND ON THE ALLOCATION OF FINANCIAL ASSISTANCE
FOR THE OVERSEAS COUNTRIES AND TERRITORIES
TO WHICH PART FOUR OF THE TREATY
ON THE FUNCTIONING OF THE EUROPEAN UNION APPLIES

THE REPRESENTATIVES OF THE GOVERNMENTS OF THE MEMBER STATES OF THE EUROPEAN UNION, MEETING WITHIN THE COUNCIL,

Having regard to the Treaty on European Union,

Having regard to the Treaty on the Functioning of the European Union,

After consulting the European Commission,

After consulting the European Investment Bank,

Whereas:

- (1) The Partnership Agreement between the members of the African, Caribbean and Pacific Group of States, of the one part and the European Community and its Member States, of the other part, signed in Cotonou on 23 June 2000¹, as first amended in Luxembourg on 25 June 2005² and as amended for the second time in Ouagadougou on 22 June 2010³ ('ACP-EU Partnership Agreement'), provides for the definition of financial protocols for each five-year period.
- (2) On 17 July 2006, the Representatives of the Governments of the Member States, meeting within the Council, adopted an Internal Agreement on the financing of Community aid under the multiannual financial framework for the period 2008 to 2013, in accordance with the ACP-EC Partnership Agreement, and on the allocation of financial assistance for the Overseas Countries and Territories to which Part Four of the EC Treaty applies⁴.
- (3) Council Decision 2001/822/EC of 27 November 2001 on the association of the overseas countries and territories with the European Community⁵ (the 'Overseas Association Decision') is applicable until 31 December 2013. A new decision should be adopted before that date.

² OJ L 287, 28.10.2005, p. 4.

³ OJ L 287, 4.11.2010, p. 3.

⁴ OJ L 247, 9.9.2006, p. 32.

⁵ OJ L 314, 30.11.2001, p. 1.

- (4) In order to implement the ACP-EU Partnership Agreement and the Overseas Association Decision, an 11th European Development Fund (EDF) should be established and a procedure should be laid down for determining the allocation of funds and Member States' contributions to those funds.
- (5) The Union and its Member States, in accordance with Annex Ib to the ACP-EU Partnership Agreement, conducted a performance review, together with the African, Caribbean and Pacific Group of States ('ACP States'), assessing the degree of realisation of commitments and disbursements.
- (6) The administration rules for financial cooperation should be determined.
- (7) A Committee of Representatives of the Governments of the Member States should be set up at the Commission ('EDF Committee'), and a similar Committee should be set up at the European Investment Bank (EIB). The work of the Commission and the EIB in applying the ACP-EU Partnership Agreement and the corresponding provisions of the Overseas Association Decision should be harmonised.
- (8) The Union's policy on development cooperation is guided by the Millennium Development Goals adopted by the United Nations General Assembly on 8 September 2000, including any subsequent modifications.

- (9) On 22 December 2005, the Council and the Representatives of the Governments of the Member States meeting within the Council, the European Parliament and the Commission adopted a Joint Statement on a European Union Development Policy: The European Consensus¹.
- (10) On 9 December 2010, the Council adopted conclusions on Mutual Accountability and Transparency: A Fourth Chapter for the EU Operational Framework on Aid Effectiveness. Those conclusions were added to the consolidated text of the Operational Framework on Aid Effectiveness where the agreements under the Paris Declaration on Aid Effectiveness (2005), the EU Code of Conduct on Complementarity and Division of Labour in Development Policy (2007), and the EU Guidelines for the Accra Agenda for Action (2008) were reaffirmed. On 14 November 2011, the Council adopted an EU common position, including on the EU Transparency Guarantee and other aspects of transparency and accountability, for the fourth High Level Forum on Aid Effectiveness in Busan, South Korea which resulted in, inter alia, the Busan Outcome Document. The Union and its Member States agreed to the Busan Outcome Document. On 14 May 2012, the Council adopted conclusions on Increasing the Impact of EU Development Policy: an Agenda for Change and on the Future Approach to EU Budget Support to Third Countries.

¹ OJ C 46, 24.2.2006, p. 1.

- (11) The Official Development Assistance (ODA) targets referred to in the conclusions mentioned in recital 10 should be borne in mind. When reporting the 11th EDF expenditure to Member States and to the OECD Development Assistance Committee, the Commission should distinguish between ODA and non-ODA activities.
- (12) On 22 December 2009, the Council adopted conclusions on the EU's relations with Overseas Countries and Territories (OCTs).
- (13) The application of this Agreement should be in accordance with Council Decision 2010/427/EU 26 July 2010 establishing the organisation and functioning of the European External Action Service¹.
- (14) In order to avoid any interruption of funding from March to December 2020, it is appropriate to make the period of application of the 11th EDF multiannual financial framework the same as for the multiannual financial framework for the period 2014 to 2020 applicable to the general budget of the Union. It is therefore preferable to make 31 December 2020 the final date for commitments of the 11th EDF funds, rather than the 28 February 2020 which is the final date of application of the ACP-EU Partnership Agreement.

¹ OJ L 201, 3.8.2010, p. 30.

- (15) Building on the fundamental principles of the ACP-EU Partnership Agreement, the objectives of the 11th EDF are poverty eradication, sustainable development and the gradual integration of ACP States into the world economy. Special treatment should be given to the least developed countries.
- (16) To strengthen socio-economic cooperation between the Union outermost regions and ACP States, as well as OCTs in the Caribbean, Western Africa and Indian Ocean, the European Regional Development Fund and European territorial cooperation regulations should include a reinforcement of the allocations for the period 2014 to 2020 for such cooperation between them,

HAVE AGREED AS FOLLOWS:

The 11th EDF Implementation Regulation shall be decided upon by unanimity, on a proposal by the Commission and after consulting the EIB. ² OJ L 348, 21.12.2002, p. 82.

The 11th EDF Implementation Regulation and the implementing rules of the Overseas Association Decision shall contain appropriate modifications and improvements to the programming and decision-making procedures, further harmonising Union and the 11th EDF procedures as far as possible. The 11th EDF Implementation Regulation shall furthermore maintain particular management procedures for the African Peace Facility. Recalling that financial and technical assistance for the implementation of Article 11b of the ACP-EU Partnership Agreement will be financed by specific instruments other than those intended for the financing of the ACP-EU Cooperation, activities developed under those provisions need to be approved by prior specified budgetary management procedures.

The 11th EDF Implementation Regulation shall contain appropriate measures to allow for the matching of funding of credits from the 11th EDF and the European Regional Development Fund to finance cooperation projects between Union outermost regions and ACP States as well as OCTs in the Caribbean, Western Africa and Indian Ocean, in particular simplified mechanisms for joint management of such projects.

2. A Financial Regulation shall be adopted by the Council, acting by a qualified majority as laid down in Article 8, on the basis of a proposal from the Commission and after an opinion has been delivered by the EIB on those provisions concerning it, and by the Court of Auditors.
3. The Commission will present its proposals for the regulations referred to in paragraphs 1 and 2 making provision, inter alia, for the possibility of delegating the implementation of tasks to third parties.

ARTICLE 11

Financial implementation, accounting, audit and discharge

1. The Commission shall undertake the financial implementation of the envelopes it manages and in particular the financial execution of projects and programmes, in accordance with the Financial Regulation referred to in Article 10(2). For the recovery of sums unduly paid, decisions of the Commission shall be enforceable in accordance with Article 299 of the Treaty on the Functioning of the European Union (TFEU).
2. The EIB shall manage the Investment Facility and conduct operations thereunder on behalf of the Union, in accordance with the rules set out in the Financial Regulation referred to in Article 10(2). In so doing, the EIB shall act at the risk of the Member States. Any rights resulting from such operations, in particular rights as creditor or owner, shall be vested in the Member States.
3. The EIB shall undertake, according to its Statute and best banking practice, the financial implementation of operations by means of loans from its own resources as referred to in Article 4, where applicable combined with interest-rate subsidies drawn from the EDF's grant resources.
4. For each financial year, the Commission shall draw up and approve the accounts of the EDF and send them to the European Parliament, the Council and the Court of Auditors.
5. Each year, the EIB shall send to the Commission and the Council its annual report on the implementation of operations financed from the EDF resources it manages.

6. Subject to paragraph 9 of this Article, the Court of Auditors shall exercise the powers conferred on it by Article 287 of the TFEU in respect of EDF operations. The conditions under which the Court of Auditors exercises its powers shall be laid down in the Financial Regulation referred to in Article 10(2).
7. Discharge for the financial management of the EDF, excluding operations managed by the EIB, shall be given to the Commission by the European Parliament on the recommendation of the Council, acting by a qualified majority as laid down in Article 8.

ARTICLE 12

Revision clause

Article 1(3) and the Articles contained in Chapter II, with the exception of Article 8, may be amended by the Council, acting unanimously on a proposal from the Commission.
