**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN FOUNDATION FOR THE  
IMPROVEMENT OF LIVING AND WORKING CONDITIONS**

The Council welcomes the Court's opinion that, in all material respects, the Foundation's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Foundation's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

While acknowledging the multiannual nature of many of the Foundation's projects, the Council regrets that, in spite of its recommendations for 2015, an even higher level of commitment appropriations was carried over to 2017. The Council calls on the Foundation to continue improving its financial programming and monitoring of the budget implementation, in order to reduce the level of commitments carried over to the following financial year to the minimum strictly necessary, in line with the budgetary principle of annuality.

The Council also notes the Court's observation that the Foundation has not complied with certain of the Staff Regulations' provisions on remuneration and, while welcoming the Foundation's corrective actions, invites the Foundation to improve its payroll function.

Having regard to Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002<sup>2</sup>, and in particular Article 208(2) thereof,

Having examined the revenue and expenditure accounts for the financial year 2016 and the balance sheet as at 31 December 2016 of the European Environment Agency, hereinafter referred to as the "Agency", as well as the Court of Auditors' report on the annual accounts of the Agency for the financial year 2016, accompanied by the Agency's replies to the Court's observations<sup>3</sup>,

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN ENVIRONMENT AGENCY**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

The Council takes note of the Agency's reply to the Court's observations and welcomes the intention of the Agency and the Commission's internal Audit Service to further improve the processes for preparing the State of the Environment Report. It encourages the Agency to update its internal control procedures where these are outdated.

The Council, having taken note of the Agency's reply to the Court's observations, regrets the application of a framework contract with an intermediary contractor for the purchase and renewal of software licences, despite the fact that the contractor did not have an exclusive right under the framework contract for such sales and that the licences were for products used either only exceptionally or that were offered by one exclusive reseller in Scandinavia. The Council calls on the Agency to ensure the use of the most economical solution for acquiring software licences.

The Council notes with concern the unsatisfactory situation of the Foundation's premises and calls on the Foundation to request the host country to remedy the shortcomings, in particular in light of the host agreement guaranteeing appropriate facilities until 2027.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN MEDICINES AGENCY**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations, its cash flows, and the changes in net assets for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

While welcoming some efforts made by the Agency, the Council urges the Agency to continue implementing the Court's recommendations from previous years as regards the evaluation of the effectiveness of the measures taken to remedy the weaknesses found by the Court in the Agency's information, communication and technology management control.

The Council encourages the Agency to pursue efforts to address the weaknesses detected by the Court regarding its IT accounting system.

The Council regrets the deficiencies found by the Court in some of the Agency's procurement procedures and calls on the Agency to take appropriate actions in order to ensure the effectiveness of the process.

The Council, whilst acknowledging the Agency's own assessment of its control standards, regrets the Court's finding that the Agency is not yet fully complying with certain Internal Control Standards and invites the Agency to take the appropriate measures to bring its controls in compliance with these standards.

While recognising that the additional tasks given to the Agency have not been accompanied by an increase in the Agency's staff establishment plan, the Council regrets the Court's finding about the critical dependence of the Agency on the extensive use of external consultants, as well as about an inadequate control over project implementation. It encourages the Agency to continue improving the implementation of a structured and systematic approach for skills assessment and it urges the Agency to develop a documented policy governing the use of consultants.

Finally, the Council encourages the Agency to continue improving its financial programming and monitoring of the budget implementation, taking into account the decision on the future location of the Agency.

The Council calls on the Centre to improve the management and long-term outlook of its IT projects, since shortcomings in this area could affect the Centre's core operational processes. It welcomes the fact that a plan to remedy the situation has already been agreed upon and encourages it being put into practice.

The Council welcomes the fact that the Centre continues to follow-up last year's observation in relation to the improvement of the Centre's central planning and monitoring of its procurements.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN UNION AGENCY FOR  
FUNDAMENTAL RIGHTS**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

The Council welcomes the fact that the Agency has aligned the authorisation rights in the ABAC workflow system with the actual formal sub-delegations granted by the authorising officer in order to address the comment made by the Court.

The Council acknowledges the multiannual nature of the Agency's procurement of studies spanning over several years and its reply to the Court's suggestion to use differentiated appropriations to address the high level of commitments carried over. It, nevertheless, calls on the Agency to continue monitoring its budget implementation in order to reduce the level of commitments carried over to the following financial year and the amount cancelled at the end of the following year to the minimum strictly necessary, in line with the budgetary principle of annuality.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE TRANSLATION CENTRE FOR THE BODIES OF  
THE EUROPEAN UNION**

The Council welcomes the Court's opinion that, in all material respects, the Centre's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Centre's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

The Council notes that the Centre's Business Continuity Plan was not yet in place in 2016 and encourages the Centre to fully implement the adopted Business Continuity Plan.

The Council also notes, as in previous years, the Court's observation that a budgetary surplus was recorded at the end of 2016, albeit lower than in 2015. It, therefore, invites the Centre to continue monitoring its pricing, to use the available scope to reduce prices and to implement the automatic reimbursement of any surplus, as foreseen. It notes the measures already taken by the Centre to address the surplus.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN MARITIME SAFETY AGENCY**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations needs to be made.

The Council regrets the deficiencies found by the Court in the Agency's procurement procedures. The Council is also concerned about the accuracy of the Agency's assessment of the needs prior to the procurement process for purchasing IT-related goods and services, whereby the severe underestimation of the coverage and the total value of the original framework contract has led to a new procurement procedure increasing the contract value from EUR 7 million to EUR 49 million.

The Council calls on the Agency to improve its procurement procedures, including the steps related to defining the tendering specifications in order to ensure the effectiveness of the process, as well as the full transparency and equal treatment of tenders.

Nevertheless, one observation needs to be made.

While acknowledging that the Agency's budgetary result fluctuates over the years, the Council draws the Agency's attention to the fact that according to the Agency's founding Regulation the Industry fees levied should be adequate to cover the Agency's cost and that the Regulation does not foresee an accumulated surplus.

The Council welcomes the measures taken by the Authority thus far regarding its ex-post control strategy, as a follow-up to the Court's report on the annual accounts of the Authority for the financial year 2015, and calls on the Authority to complete them as soon as possible.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN UNION AGENCY FOR NETWORK

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations, its cash flows, and the changes in net assets for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

As in previous years, while acknowledging the multiannual nature of certain IT-related operations of the Agency, the Council regrets that an even higher level of commitment appropriations was carried over to 2017. The Council therefore calls on the Agency to continue improving its financial programming and monitoring of the budget implementation, in order to reduce the level of commitments carried over to the following financial year to the minimum strictly necessary, in line with the budgetary principle of annuality.

Furthermore, whereas it welcomes the positive findings of external evaluations of the Agency's performance, the Council invites the Agency to take appropriate actions to address cumbersome work processes, lack of communication and cooperation, and additional costs due to the division of the Agency's activities between its two sites.

The Council welcomes the Court's opinion that, in all material respects, the Centre's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Centre's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects.

Nevertheless, some observations need to be made.

The Council notes with concern the incompliance of the duration of the posting of the Director *ad interim* with the Staff Regulations and calls on the Centre to employ all efforts to fully comply with the Staff Regulations.

The Council strongly regrets that the Court re-confirmed its findings for the financial year 2015 concerning the transparency of the Centre's procurement procedures, as well as the finding of weaknesses in the planning and monitoring of procurements, and the alignment of the Centre's procurements with the Annual Work Programme and financing decisions. It urges the Centre to implement the agreed measures to address these weaknesses and to examine further steps that may be required to adapt its internal procedures.

The Council acknowledges the multiannual nature of the Centre's projects and calls on the Centre to consider the Court's suggestion to use differentiated appropriations to address the high level of commitments carried over. **COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN BORDER AND COAST GUARD  
AGENCY**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

While acknowledging the increased level of responsibility and involvement of the Agency in tackling the migration crisis in 2016, the Council calls on the Agency to avoid irregular payments, ensuring compliance with all EU Regulations.

The Council calls on the Agency to continue improving its financial programming in order to reduce the level of commitments carried over to the next financial year to the minimum strictly necessary, in line with the budgetary principle of annuality. The Council supports the Court's suggestion to introduce differentiated appropriations as a means to better reflect the delays between legal commitments and payments.

The Council calls on the Agency to avoid any unjustified delays in the launching of procurement procedures, as well as delays in the signature of cooperation agreements that could be detrimental to cooperation with the Agency's partners.

The Council takes note of the high vacancy rate in the Agency by the end of 2016. While acknowledging that the correction coefficient applied to salaries can have an influence in the attractiveness of the Agency as a workplace, the Council encourages the Agency to continue implementing staff retention measures in order to ensure that it will cope with the workforce needed for the extension of its mandate in the following years.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN UNION AGENCY FOR LAW  
ENFORCEMENT TRAINING**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations needs to be made.

The Council takes note of the high staff turnover in the Agency, which may impact on its business continuity and which is changing the geographical balance of its workforce. While acknowledging that the relocation of the Agency from the United Kingdom to Hungary, and the subsequent correction coefficient applied to salaries, can have an influence in the attractiveness of the Agency as a workplace, the Council stresses the importance of recruiting staff on as wide a geographical basis as possible. It encourages the Agency to continue implementing staff retention measures.

The Council calls on the Agency to continue improving its financial programming in order to reduce the level of commitments carried over to the next financial year to the minimum strictly necessary, in line with the budgetary principle of annuality.

As last year, and while acknowledging the multiannual operational nature of the Agency's activities and projects, the Council regrets that a very high level of commitment appropriations was carried over to 2017. It calls on the Agency to continue improving its financial programming, monitoring of the budget implementation, and further increasing the use of differentiated budget appropriations, in order to reduce the level of commitments carried over to the following financial year to the minimum strictly necessary, in line with the budgetary principle of annuality.

In addition, the Council invites the Agency, in consideration of the nature of its revenues, to take due account of the possible future decrease of part of these revenues resulting from the United Kingdom's decision to leave the EU.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN ASYLUM SUPPORT OFFICE**

The Council welcomes the Court's opinion that, in all material respects, the Office's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Office's Financial Regulation, and that the revenue underlying the accounts for 2016 is legal and regular in all material respects. Nevertheless, some observations need to be made.

While acknowledging the challenges, the increased level of responsibility and the Office's involvement in tackling the migration crisis in 2016, the Council regrets the Court's qualified opinion on the legality and regularity of payments underlying the accounts due to the lack of rigour in the management of two procurement procedures.

The Council calls on the Office to:

- always follow and respect the procurement procedures rules laid down in the Financial Regulation, including the principle of equal treatment of tenders;
- request further explanations from tenderers that present abnormally low offers, in line with the rules of application of the Financial Regulation;
- introduce systematic checks for every supplier's quotes and invoices issued to the framework contractor.

The Council calls on the Office to improve the planning for procurement procedures for administrative expenditure and to improve the monitoring of procedures and contracts under framework contracts, as already agreed in an action plan between the Office and Commission's Internal Audit Service.

The Council calls on the Office to continue improving its financial programming in order to reduce the level of commitments carried over to the next financial year to the minimum strictly necessary, in line with the budgetary principle of annuality.

Finally, following the external evaluation of the Office's performance, the Council encourages the Office to implement the action plan to increase the efficiency of operations and to further ensure cooperation and coherence of activities with its EU and international partners working on migration related issues.

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN AGENCY FOR THE OPERATIONAL  
MANAGEMENT OF LARGE-SCALE IT SYSTEMS IN THE AREA OF FREEDOM,  
SECURITY AND JUSTICE**

The Council welcomes the Court's opinion that, in all material respects, the Agency's annual accounts present fairly its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Agency's Financial Regulation, and that the underlying transactions for 2016 are legal and regular in all material respects. Nevertheless, some observations need to be made.

The Council regrets the deficiencies found by the Court in the Agency's procurement procedures and urges the Agency to take appropriate actions in order to ensure the principles of economy, transparency and equal treatment of tenders.

The Council calls on the Agency to continue improving its financial programming in order to reduce the level of commitments carried over to the next financial year to the minimum strictly necessary, in line with the budgetary principle of annuality.

The Council underlines the need to respect the principles of annuality and of sound financial management, avoiding advance payments as a means of maximizing the budgetary execution at year-end.

Finally, the Council encourages the Agency to pursue its efforts to improve the efficiency of its internal IT processes as already agreed in an action plan between the Agency and the Commission's Internal Audit Service. Likewise, the Council encourages the Agency to implement the action plan to improve its operational management following the external evaluation of the Agency.

Having examined the revenue and expenditure accounts for the financial year 2016 and the balance sheet as at 31 December 2016 of the European Institute of Innovation and Technology, hereinafter referred to as the "Institute", as well as the Court of Auditors' report on the annual accounts of the Institute for the financial year 2016, accompanied by the Institute's replies to the Court's observations<sup>3</sup>,

**COMMENTS ACCOMPANYING THE COUNCIL RECOMMENDATION ON THE  
DISCHARGE TO BE GIVEN TO THE EUROPEAN INSTITUTE OF INNOVATION AND  
TECHNOLOGY**

The Council welcomes the Court's opinion that the Institute's annual accounts present fairly, in all material respects, its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of the Institute's Financial Regulation, and that the underlying transactions for 2016 are legal and regular with the exception of the matter described below. Some other observations are also being made by the Council.

The Council regrets the Court's finding of significant shortcomings in the Institute's KIC Legal Entities procurement procedures, such as direct award contracts, absence of essential elements in tenders, extensions of contract volume and time, and quality/price weighting, as well as ex-post verification.

Despite of some improvement compared to 2015, the Council is concerned about the delays related to the grant award decisions, which create uncertainty and reduce the partners' willingness to commit resources to start activities at the beginning of the year. In this respect, the Council invites the Institute to improve its processes in grant award decisions to eliminate the risk of such an adverse situation.

As to filling some managerial positions on ad interim basis, the Council asks the Institute to fully comply with the Staff Regulations.

In the framework of the Horizon 2020 programme and the Common Support Centre created by the Commission to ensure a coherence in a wide range of aspects in implementing the programmes, the Council encourages the Institute to seek a more integrated and efficient link with its parent Commission Directorate-General in order to increase the efficiency of the Institute's operations.
