1. On 23 January 2013, the Commission submitted the above delegated Regulation<sup>1</sup> to the Council in accordance with the procedure set out in Article 290 TFEU and with Article 17 of Regulation (EU) 2017/1369 of the European Parliament and of the Council setting a framework for energy efficiency labelling and repealing Directive 2010/30/EU. The Commission having notified the delegated act with regard to a correction of the Spanish language version of Commission Delegated Regulation (EU) No 812/2013 on 23 January 2018, the Council could object to it within two months, i.e. until 22 March 2018.

2. Delegations were asked to submit any comments on this file by 23 February 2018. On expiry of the deadline, delegations have not provided any indication of grounds for the Council to object to the delegated act.
  3. It is therefore suggested that Coreper recommend that the Council confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Article 17 of Regulation (EU) 2017/1369.
