Subject: Agreement between the European Union and the Swiss Confederation on supplementary rules in relation to the instrument for financial support for external borders and visa, as part of the Internal Security Fund, for the period 2014 to 2020

AGREEMENT
BETWEEN THE EUROPEAN UNION
AND THE SWISS CONFEDERATION
ON SUPPLEMENTARY RULES
IN RELATION TO THE INSTRUMENT FOR FINANCIAL SUPPORT
FOR EXTERNAL BORDERS AND VISA,
AS PART OF THE INTERNAL SECURITY FUND,
FOR THE PERIOD 2014 TO 2020

EU/CH/en 1

THE EUROPEAN UNION, hereinafter referred to as "the Union"

and

THE SWISS CONFEDERATION, hereinafter referred to as "Switzerland",

Hereinafter referred to jointly as "the Parties"

HAVING REGARD to the Agreement between the European Union, the European Community and the Swiss Confederation on the Swiss Confederation's association with the implementation, application and development of the Schengen *acquis*¹ ("Association Agreement with Switzerland"),

WHEREAS:

- (1) The Union established the instrument for financial support for external borders and visa, as part of the Internal Security Fund by means of Regulation (EU) No 515/2014 of the European Parliament and of the Council².
- (2) Regulation (EU) No 515/2014 constitutes a development of the Schengen *acquis* within the meaning of the Association Agreement with Switzerland.

¹ OJ EU L 53, 27.2.2008, p. 52.

² Regulation (EU) No 515/2014 of the European Parliament and of the Council of 16 April 2014 establishing, as part of the Internal Security Fund, the instrument for financial support for external borders and visa and repealing Decision No 574/2007/EC (OJ EU L 150, 20.5.2014, p. 143).

- (3) As Regulation (EU) No 514/2014 of the European Parliament and of the Council¹ has a direct impact on the application of the provisions of Regulation (EU) No 515/2014, thus affecting the latter's legal framework, and as the procedures set out in the Association Agreement with Switzerland have been applied for the adoption of Regulation (EU) No 514/2014 which was notified to Switzerland, the Parties acknowledge that Regulation (EU) No 514/2014 constitutes a development of the Schengen *acquis* within the meaning of the Association Agreement with Switzerland insofar as it is necessary for the implementation of Regulation (EU) No 515/2014.
- (4) Article 5(7) of Regulation (EU) No 515/2014 provides that the countries associated with the implementation, application and development of the Schengen *acquis* – among which Switzerland – participate in the instrument in accordance with its provisions and that arrangements are to be concluded to specify financial contributions by those countries and supplementary rules necessary for such participation, including provisions ensuring the protection of the Union's financial interests and the power of audit of the Court of Auditors.
- (5) The instrument for financial support for external borders and visa, as part of the Internal Security Fund ("the ISF – Borders and Visa") constitutes a specific instrument in the context of the Schengen *acquis* designed to provide for burden sharing and financial support in the field of external borders and visa policy in Member States and associated States.

¹ Regulation (EU) No 514/2014 of the European Parliament and of the Council of 16 April 2014 laying down general provisions on the Asylum, Migration and Integration Fund and on the instrument for financial support for police cooperation, preventing and combating crime, and crisis management (OJ EU L 150, 20.5.2014, p. 112).

- (6) Article 60 of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council¹ provides for rules on indirect management that are applicable where third countries, including associated States, are entrusted with budget implementation tasks.
- (7) Article 17(4) of Regulation (EU) No 514/2014 provides for the eligibility of expenditure incurred in 2014 by a Responsible Authority not yet formally designated, thereby ensuring a smooth transition between the External Borders Fund and the Internal Security Fund. Similarly it is important that the same concern be reflected in this Agreement. Given that this Agreement did not come into force before the end of 2014, it is essential to ensure the eligibility of expenditure incurred before and until the formal designation of the Responsible Authority, provided that the management and control systems applied before are essentially the same as the ones in force after the formal designation of the Responsible Authority.
- (8) To facilitate the calculation and use of the annual contributions due by Switzerland to the ISF–Borders and Visa, its contributions for the period 2014-2020 will be paid in five annual instalments from 2016 to 2020. From 2016 to 2018, the annual contributions are set in fixed amounts while the contribution due for the years 2019 and 2020 will be determined in 2019 on the basis of the gross domestic product of all States participating in the ISF–Borders and Visa taking into account the payments effectively made,

HAVE AGREED AS FOLLOWS:

- (c) coordinate its action aimed at protecting the financial interests of the Union with the Member States and the Commission.

2. Switzerland shall adopt equivalent measures to those adopted by the Union in accordance with Article 325(4) TFEU which are in force at the date of signature of this Agreement.

FORMULA TO CALCULATE THE FINANCIAL CONTRIBUTIONS
FOR THE YEARS 2019 AND 2020
AND PAYMENT DETAILS

- (1) The financial contribution of Switzerland to the ISF – Borders and Visa referred to in the second and third subparagraphs of Article 5(7) of Regulation 515/2014 is calculated as follows for the years 2019 and 2020:

For each single year from 2013 to 2017, the final figures of the Gross Domestic Product (GDP) of Switzerland available on 31 March of 2019 shall be divided by the sum of the GDP figures of all the States participating in the ISF – Borders and Visa for the respective year. The average of the obtained five percentages for the years 2013 to 2017 shall be applied to the sum of the actual annual appropriations for the ISF – Borders and Visa for the years 2014 to 2019 and the annual commitment appropriation for the ISF – Borders and Visa for the year 2020 as included in the draft General budget of the European Union for the financial year 2020 adopted by the Commission to obtain the total amount to be paid by Switzerland over the whole period of implementation of the ISF – Borders and Visa. From this amount, the annual payments effectively made by Switzerland in accordance with Article 10(1) of this Agreement shall be subtracted in order to obtain the total amount of its contributions for the years 2019 and 2020. Half of this amount shall be paid in 2019 and the other half in 2020.

- (2) The financial contribution shall be paid in Euro.
- (3) Switzerland shall pay its respective financial contribution no later than 45 days after receiving the debit note. Any delay in payment of the contribution shall give rise to the payment of default interest on the outstanding amount from the due date. The interest rate shall be the rate applied by the European Central Bank to its main refinancing operations, as published in the C series of the *Official Journal of the European Union*, in force on the first calendar day of the month in which the deadline falls, increased by 3,5 percentage points.
-
