**DECISION N° ... /2018**  
**OF THE ACP-EU COUNCIL OF MINISTERS**  
**of .././2018**

**regarding the revision of Annex IC of the ACP-EU Partnership Agreement**

THE ACP-EU COUNCIL OF MINISTERS,

Having regard to the partnership agreement between the Members of the African, Caribbean and Pacific Group of States, of the one part, and the European Community and its Member States of the other part<sup>1</sup>, (hereinafter referred to as “the ACP-EU Partnership Agreement”), and in particular Article 15(2) thereof, in conjunction with its Article 100;

Whereas

- (1) In accordance with Article 15(2) of the ACP-EU Partnership Agreement, the functions of the Council of Ministers include taking any decision to ensure the effective and efficient implementation of the Agreement.
- (2) Article 100 of the ACP-EU Partnership Agreement states that its Annexes may be revised, reviewed and/or amended by the ACP-EU Council of Ministers on the basis of a recommendation from the ACP-EU Development Finance Cooperation Committee.
- (3) Annex IC of the ACP-EU Partnership Agreement should be modified in order to reassign funds between cooperation instruments under the European Development Fund towards the intra-ACP and interregional cooperation instrument.

The reassigned funds are to contribute to the financing of the Spotlight initiative and of the Global Partnership for Education (GPE).

The Spotlight initiative is a joint EU-UN global action aimed at preventing and responding to violence against women and girls in targeted countries. On the basis of evidence, the Spotlight initiative will focus on particular forms of sexual and gender based violence that are prevalent or prominently emerge in specific regions, thus contributing to reaching the SDG 5 on "Gender Equality".

The GPE's overall objective is to mobilise global and national efforts to achieve quality education and learning for all, through inclusive partnership, a focus on effective education systems, and financing for basic education. Both initiatives are in line with the Cotonou Partnership Agreement as well as with the Agenda 2030 for Sustainable Development that promote a more comprehensive approach to human development. For education, this approach means more support for inclusive and equitable quality education for all and life-long learning (SDG 4), with a strong focus on promoting gender equality (SDG 5).
