'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
No. Cion doc.:	6253/18 AGRI 85 ENT 27 MI 91 DELECT 31 + ADD 1 - C(2018) 862 final
Subject:	Commission Delegated Regulation (EU) .../... amending Delegated Regulation (EU) 2015/68 as regards requirements relating to Anti-Lock Braking Systems, high pressure energy storage devices and hydraulic connections of the single-line type - Intention not to raise objections to a delegated act

1. The Commission has submitted the above delegated act to the Council in accordance with the procedure set out in Article 290 TFEU and with regard to Article 17(5) of Regulation (EU) No 167/2013 on the approval and market surveillance of agricultural and forestry vehicles. The Commission having adopted the delegated act on 15 February 2018, the Council may object to it until 15 April 2018.
2. The Working Party on Technical Harmonisation (Motor Vehicles) has examined the delegated act by an electronic information procedure initiated on 16 February 2018 and silently agreed that there are no grounds for the Council to object to it.

3. It is therefore suggested that the Permanent Representatives Committee recommends to the Council to confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies, that unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Regulation (EU) No 167/2013.
