**In document 6606/18 INIT, on page 5, the statement by France should read as follows:**

"The French authorities support the statement by the German authorities on the Regulation addressing unjustified geoblocking and other forms of discrimination based on customers' nationality, place of residence or place of establishment within the internal market and amending **Regulation (EC) No 2006/2004** and Directive 2009/22/EC.

For the French authorities, it is essential that any proposal to amend the Regulation's scope of application be underpinned by a detailed impact study."
