Subject: EUROJUST Annual Report 2017

---

In document ST 7732/18 INIT on page 29, the first paragraph should be read as follows:

"Council Decision 2005/671/JHA The information on investigations, prosecutions and convictions for terrorist offences shared with Eurojust, in conformity with Council Decision 2005/671/JHA, increased significantly. Eurojust was informed about 394 investigations and prosecutions and 569 convictions or acquittals for terrorist offences. This information, together with information shared with Eurojust under Article 13 of the Eurojust Council Decision, allows Eurojust to detect possible links between different terrorism cases and between cases of terrorism and organised crime."
