THE UNION'S SCHEDULE OF SPECIFIC COMMITMENTS

SOLE ARTICLE

The Union's Schedule of Specific Commitments is set out in Appendices 8-A-1 to 8-A-3.

UNION

SCHEDULE OF SPECIFIC COMMITMENTS IN CONFORMITY WITH ARTICLE 8.7  
(SCHEDULE OF SPECIFIC COMMITMENTS)

(CROSS-BORDER SUPPLY OF SERVICES)

1. The list of commitments below indicates the service sectors liberalised pursuant to Article 8.7 (Schedule of Specific Commitments) and, by means of reservations, the market access and national treatment limitations that apply to services and service suppliers of Singapore in those sectors. The list below is composed of the following elements:
  - (a) the first column indicating the sector or sub-sector in which the commitment is undertaken by the Union, and the scope of liberalisation to which the reservations apply; and
  - (b) the second column describing the applicable reservations.

Cross-border supply of services in sectors or sub-sectors covered by this Agreement and not mentioned in the list below is not committed.

2. In identifying individual sectors and sub-sectors:
  - (a) "CPC" means the Central Products Classification as referred to in footnote 23 to Article 8.21 (Computer Services); and
  - (b) "CPC ver. 1.0" means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, *CPC ver 1.0*, 1998.
3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 8.5 (Market Access) and Article 8.6 (National Treatment). Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors and need to pass specific examinations, including language examinations), even if not listed, apply in any case to services and service suppliers of Singapore.
4. The list below is without prejudice to the feasibility of the cross-border supply of service provided in paragraph (a) of Article 8.4 (Definitions) in certain service sectors and sub-sectors and without prejudice to the existence of public monopolies and exclusive rights as described in the list of commitments on establishment.
5. In accordance with paragraph 2(a) of Article 8.1 (Objective and Scope), the list below does not include measures concerning subsidies granted by a Party.
6. The rights and obligations arising from the list below shall have no self-executing effect and thus confer no rights directly to natural or juridical persons.

7. The term "investor" mentioned in this schedule of commitments shall be understood as the term of "entrepreneur" defined in paragraph (c) of Article 8.8 (Definitions).

(a) Legal Services <sup>1</sup> (CPC 861) <sup>2</sup>	AT: Singaporean lawyers' (who must be fully qualified in Singapore) equity participation and shares in the operating results of any law firm may not exceed 25 per cent. They may not have decisive influence in decision making.

<sup>1</sup> Due to the gradual liberalisation process of Singapore's legal services market, Singapore cannot yet commit to further market access in this sector. The Parties will, with a view to granting further market access, review their commitments in legal services no later than two years after entry into force of this Agreement. The Parties may, by decisions in the Committee on Services, Investment and Government Procurement established pursuant to Article 16.2 (Specialised Committees) amend either Party's schedules in this respect.

<sup>2</sup> Includes legal advisory services, legal representation services, legal arbitration and conciliation/mediation services, and legal documentation and certification services. Provision of legal services is only authorised in respect of public international law, Union law and the law of any jurisdiction where the service supplier or its personnel is qualified to practice as a lawyer, and, like the provision of other services, is subject to licensing requirements and procedures applicable in the Member States of the Union. For lawyers providing legal services in respect of public international law and foreign law, these licensing requirements and procedures may take, *inter alia*, the form of compliance with local codes of ethics, use of home title (unless recognition with the host title has been obtained), insurance requirements, simple registration with the host country Bar or a simplified admission to the host country Bar through an aptitude test and a legal or professional domicile in the host country. Legal services in respect of Union law shall in principle be carried out by or through a fully qualified lawyer admitted to the Bar in a Member State of the Union acting personally, and legal services in respect of the law of a Member State of the Union shall in principle be carried out by or through a fully qualified lawyer admitted to the Bar in that Member State acting personally. Full admission to the Bar in the relevant Member State of the Union might therefore be necessary for representation before courts and other competent authorities in the Union since it involves practice of Union and national procedural law. SINGAPORE'S SCHEDULE OF SPECIFIC COMMITMENTS

SOLE ARTICLE

Singapore's Schedule of Specific Commitments is set out in Appendices 8-B-1 to 8-B-2.

SINGAPORE

SCHEDULE OF SPECIFIC COMMITMENTS

EXPLANATORY NOTES

1. The classification of service sectors in this schedule is based on the 1991 provisional Central Product Classification (CPC) of the United Nations Statistical Office unless otherwise indicated by the absence of a CPC number. The ordering reflects the services sectoral classification list as used in the GATT document MTN.GNS/W/120 dated 10 July 1991. The scheduling of specific commitments follows the guidelines stated in GATT documents MTN.GNS/W/164 dated 3 September 1993 and MTN.GNS/W/164/Add.1 dated 30 November 1993.
2. The use of "\*\*\*" against individual CPC codes indicates that the specific commitment for that code shall not extend to the total range of services covered under that code.
3. The classification of establishment sectors in this schedule is based on the International Standard Industrial Classification (ISIC) Revision 3 of the United Nations Statistical Office. As necessary and appropriate, Singapore could specify the exact coverage of the commitment if the commitment does not exactly conform to the classification system.

4. The list of commitments below (hereinafter referred to as "this Schedule") indicates the service sectors liberalised pursuant to Article 8.7 (Schedule of Specific Commitments) and Article 8.12 (Schedule of Specific Commitments), and, by means of reservations, the market access and national treatment limitations that apply to services and service suppliers of the Union in those sectors. This Schedule is composed of the following elements:
- (a) the first column indicating the sector or subsector in which the commitment is undertaken by Singapore, and the scope of liberalisation to which the reservations apply;
  - (b) the second column describing the applicable reservations to Article 8.5 (Market Access) and Article 8.10 (Market Access) in the sector or subsector indicated in the first column;
  - (c) the third column describing the applicable reservations to Article 8.6 (National Treatment) and Article 8.11 (National Treatment) in the sector or subsector indicated in the first column; and
  - (d) the fourth column describing specific commitments on measures affecting the cross-border supply of services and establishment in service sectors not subject to scheduling under Article 8.5 (Market Access) and Article 8.10 (Market Access) and Article 8.6 (National Treatment) and Article 8.11 (National Treatment).
5. Notwithstanding Article 8.10 (Market Access), non-discriminatory requirements as regards the types of legal form of an establishment do not need to be specified in this Schedule in order to be maintained or adopted by Singapore.

6. This Schedule does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements when they do not constitute a market access or a national treatment limitation within the meaning of Article 8.5 (Market Access) and Article 8.10 (Market Access) and Article 8.6 (National Treatment) and Article 8.11 (National Treatment). Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, and need to pass specific examinations, including language examinations and need to have a legal domicile in the territory where the economic activity is performed), even if not listed, apply in any case to services and service suppliers of the Union.
  
7. In accordance with paragraph 2(a) of Article 8.1 (Objective and Scope), this Schedule shall not apply to subsidies or grants provided by a Party, including government-supported loans, guarantees, and insurance.

SINGAPORE

SCHEDULE OF SPECIFIC COMMITMENTS – APPENDIX ON FINANCIAL SERVICES

A. SPECIFIC COMMITMENTS

All the commitments in this Schedule are subject to horizontal commitments in Singapore's Schedule of Specific Commitments. All the commitments in this Schedule are also subject to entry requirements, admission criteria, domestic laws, guidelines, rules and regulations, terms and conditions of the Monetary Authority of Singapore (MAS) or any other relevant authority or body in Singapore, as the case may be provided that they do not circumvent Singapore's obligations taken herewith. Juridical persons supplying financial services are subject to non-discriminatory limitations on juridical form<sup>1</sup>.

---

<sup>1</sup> For example, partnerships and sole proprietorships are generally not acceptable juridical forms for depository financial institutions in Singapore. This headnote is not itself intended to affect, or otherwise limit, a choice by a financial service supplier of the other Party between branches or subsidiaries.

## Related to Insurance

1. Singapore shall not require product filing or approval for insurance products other than for life insurance products<sup>1</sup>, Central Provident Fund-related products and investment-linked products. Where product filing or approval is required, Singapore shall allow the introduction of the product, which Singapore shall deem to be approved unless the product is disapproved within a reasonable time, endeavouring to do so in 30 days. Singapore shall not maintain limitations on the number or frequency of product introduction. This specific commitment does not apply where a financial institution of the Union seeks to supply a new financial service pursuant to Article 8.53 (New Financial Services).

## Related to Portfolio Management

2. (a) Singapore shall allow, in a manner consistent with Article 8.49 (Scope and Definitions), a financial service supplier (other than a trust company or insurance company), organised outside its territory to provide investment advice and portfolio management services, excluding (1) custodial services and (2) trustee services and (3) execution services that are not related to managing a collective investment scheme, to the manager of a collective investment scheme, where the manager is:
  - (i) located in the territory of Singapore; and
  - (ii) related to the financial service supplier.

---

<sup>1</sup> Life insurance products here would include non-short term accident and health policies and term policies exceeding five years.

(b) For purposes of this paragraph,

- (i) "collective investment scheme" has the meaning given to it under Section 2 of the Securities and Futures Act (Cap. 289); and
- (ii) "related" means a related corporation as defined under Section 6 of the Companies Act (Cap. 50).

#### Related to Credit and Charge Cards

- 3. Singapore shall consider applications for access to automated teller machine networks operated by local banks in Singapore for credit and charge cards of non-bank issuers that are controlled by persons of the European Union. Where such applications are approved, non-bank issuers will thereafter be permitted to negotiate for access to the automated teller machine networks operated by local banks on commercial terms.

#### B. OTHERS

- 1. (a) Solely in the context of future liberalisation of its banking sub-sector and not for the purposes of affording protection to local financial service suppliers within the banking sub-sector, Singapore may impose new non-conforming measures on a most-favoured nation treatment basis. Such measures may include, but are not limited to:
  - (i) requirements regarding the composition of boards of directors of banks and finance companies; and

(ii) limitations on the number of customer service locations of finance companies,

provided that any such non-conforming measure shall not derogate from commitments undertaken by Singapore in the Financial Services Section of its Schedule of Specific Commitments to liberalise on quantitative restrictions on the number of licences or on customer service locations for Union banks or establish time periods for allowing Union banks access to any ATM network in Singapore.

(b) Where a Union financial service supplier chooses not to participate in a future liberalisation described in sub-paragraph (a), Singapore shall not apply any related new non-conforming measure or take any adverse action with respect to the financial service supplier.

(c) If Singapore imposes any new non-conforming measure described in paragraph (a), it will:

(i) notify the Union of its intent at least three months in advance of implementation of the measure;

(ii) consult with the Union concerning the measure and give due consideration to the views expressed by the European Union in this respect; and

- (iii) make compensatory adjustments to the Financial Services Section of its Schedule of Specific Commitments with respect to the same class of financial service supplier of the banking sub-sector as are affected by the measure such that the general level of commitments is more favourable to trade in the banking sub-sector than prior to the new measure<sup>1</sup>.
  
- (d) Sub-paragraph (a) shall not apply to any commitments that Singapore makes in respect of additional licences and customer service locations.

---

---

<sup>1</sup> It is understood that compensatory adjustments shall not be regarded as inadequate solely because the general level of commitments after the introduction of the new measure is not significantly more favourable to trade in the banking sub-sector than prior to the introduction of the measure.
