

Draft annotated agenda of the Eurogroup in inclusive format¹ **24 May 2018**

Starting time 17h30, Brussels

1. EMU Deepening – way forward on the Banking Union and future role of the ESM

The Eurogroup will take stock of the progress made on the Banking Union roadmap and the future role of the ESM and will discuss the way forward ahead of the June European Council.

Following the Euro Summit of December 2017, Finance Ministers have been working on two priority areas: the completion of the Banking Union (notably on indicators measuring progress with risk reduction and on the way forward with the roadmap for risk reduction and risk sharing) and the future role of the ESM (notably on the review of ESM instruments, the role of the ESM in programmes and implications, debt sustainability issues and on the common backstop to the SRF).
