NOTE

from : Presidency
to: Visa (VISION) Working Party

Subject : **Presidency proposal for introducing and implementing "notification of decisions on visas subject to prior consultation"**

As suggested by the Visa Working Party, it seems advisable to use the Vision Network to provide information on final decisions concerning visas on which prior consultation has taken place.

In that case, it would be necessary to adopt a new form that could be called **R**.

Form R: Notification of visa decision

This form would be identical to forms **A** and **F**, with the addition of a new heading, numbered 033, which would be mandatory and would read as follows:

RESTREINT UE

NO	HEADING	M/O*	FORMAT	COMMENTS (Examples)
033	Visa decision	M	Code (1)	<ol style="list-style-type: none">1. Issued2. Refused3. Withdrawn or cancelled

If the entry under this heading is 1 (issued), heading 026 would show the features of the visa issued.

In the "subject" field, heading 001 would be followed by the letter R.
