## ANNEX I

### **Activities of the programme**

The specific objectives of the Programme referred to in Article 3 (2) will be pursued in particular through support to the following activities:

1. awareness raising, dissemination of information to improve the knowledge of Union policies and of Union law including substantive and procedural law, of judicial cooperation instruments, of the relevant case-law of the Court of Justice of the European Union, and of comparative law and of European and international standards;
2. mutual learning through exchange of good practices among stakeholders to improve knowledge and mutual understanding of the civil and criminal law and the legal and judicial systems of the Member States, including the rule of law, and enhancing mutual trust;
3. analytical and monitoring activities<sup>1</sup> to improve the knowledge and understanding of potential obstacles to the smooth functioning of a European area of justice and to improve the implementation of Union law and policies in the Member States;
4. training relevant stakeholders to improve the knowledge of Union policies and Union law including inter alia substantive and procedural law, the use of EU judicial cooperation instruments, the relevant case-law of the Court of Justice of the European Union, legal language and of comparative law.
5. information and Communication Technology (ICT) tools development and maintenance to improve the efficiency of judicial systems and their cooperation by means of information and communication technology, including the cross-border interoperability of systems and applications.
6. developing capacity of key European level networks and European judicial networks, including networks established by Union law to ensure the effective application and enforcement of Union law, to promote and further develop Union law, policy goals and strategies in the areas of the programme, as well as supporting civil society organisations active in the areas covered by the Programme.
7. enhancing knowledge of the programme and dissemination and transferability of its results and fostering citizen outreach, including by setting up and supporting programme desks/national contact network.

---

<sup>1</sup> These activities include for instance the collection of data and statistics; the development of common methodologies and, where appropriate, indicators or benchmarks; studies, researches, analyses and surveys; evaluations; impact assessment; the elaboration and publication of guides, reports and educational material.
