ACP-EU DECISION

Subject: Decision No 1/2018 of the ACP-EU Council of Ministers of 31 May 2018
regarding the revision of Annex Ic to the ACP-EU Partnership Agreement

DECISION No 1/2018
OF THE ACP-EU COUNCIL OF MINISTERS

of 31 May 2018

regarding the revision of Annex Ic to the ACP-EU Partnership Agreement

THE ACP-EU COUNCIL OF MINISTERS,

Having regard to the Partnership Agreement between the Members of the African, Caribbean and Pacific Group of States, of the one part, and the European Community and its Member States, of the other part¹ ('the ACP-EU Partnership Agreement'), as last amended, and in particular Article 15(2), in conjunction with Article 100 thereof,

Whereas:

- (1) In accordance with Article 15(2) of the ACP-EU Partnership Agreement, the functions of the Council of Ministers include taking any decision to ensure the effective and efficient implementation of the Agreement.
- (2) Article 100 of the ACP-EU Partnership Agreement states that certain Annexes may be revised, reviewed and/or amended by the Council of Ministers on the basis of a recommendation from the ACP-EU Development Finance Cooperation Committee.

¹ OJ EC L 317, 15.12.2000, p. 3.

- (3) Annex Ic of the ACP-EU Partnership Agreement should be revised in order to reassign funds between cooperation instruments under the European Development Fund towards the intra-ACP and interregional cooperation instrument. The reassigned funds are to contribute to the financing of the Spotlight initiative and to the Global Partnership for Education (GPE). The Spotlight initiative is a joint EU-UN global action aimed at preventing and responding to violence against women and girls in targeted countries. On the basis of evidence, the Spotlight initiative will focus on particular forms of sexual and gender based violence that are prevalent or prominently emerge in specific regions, thus contributing to reaching the sustainable development goal no 5 (SDG 5) on 'Gender Equality'. The GPE's overall objective is to mobilise global and national efforts to achieve quality education and learning for all, through inclusive partnership, a focus on effective education systems, and financing for basic education. Both initiatives are in line with the ACP-EU Partnership Agreement as well as with the Agenda 2030 for Sustainable Development that promote a more comprehensive approach to human development. For education, this approach means more support for inclusive and equitable quality education for all and life-long learning (SDG 4), with a strong focus on promoting gender equality (SDG 5),

HAS ADOPTED THIS DECISION:

Article 1

1. In order to meet programming requirements, funding under the European Development Fund shall be reassigned between the allocations for cooperation instruments set out in Annex Ic to the ACP-EU Partnership Agreement.
2. An amount of EUR 425 million shall be reassigned from the general reserve for National and Regional Indicative Programmes, set out in point 2(a) of Annex Ic, to the intra-ACP and interregional cooperation, set out in point 2(b) of Annex Ic, as follows:
