Subject: Commission Delegated Regulation (EU) ... / ... of 30.4. 2018 supplementing Regulation (EU) No 1143/2014 of the European Parliament and of the Council with regard to risk assessment in relation to invasive alien species  
- Intention not to raise objection to a delegated act

---

1. The Commission has submitted the above delegated act<sup>1</sup> to the Council in accordance with the procedure set out in Article 290 TFEU and in particular Article 5(3) of Regulation (EU) No 1143/2014 on the prevention and management of the introduction and spread of invasive alien species<sup>2</sup>. The Commission having notified the delegated act on 30 April 2018, the Council may object to it until 2 July 2018.

<sup>2</sup> OJ L 317, 4.11.2014, p. 35.

2. On 11 June 2018, the Working Party on the Environment examined the delegated act and agreed that there are no grounds for the Council to object it. Denmark, supported by Greece objected to the Delegated Regulation and submitted the statement as set out in the Addendum to this note.
  3. It is therefore suggested that Coreper recommends that the Council confirms that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the twentieth day following its publication in the Official Journal of the European Union in accordance with Article 3 of the Delegated Regulation.
