To: Permanent Representatives Committee

Subject: Proposal for a Directive of the European Parliament and of the Council on the promotion of the use of energy from renewable sources
- Analysis of the final compromise text with a view to agreement

In document ST 10308/18 INIT:

On page 86, paragraph 1 of Article 17 should read "Member States shall establish a simple notification procedure whereby installations or aggregated production units of renewable self-consumers and demonstration projects with an electrical capacity of equal or less than 10.8 kW, **or equivalent for connections other than 3 phase**, shall be connected to the grid following a notification to the distribution system operator."

On page 88, the title of Article 19 should read "**Guarantees of origin of [] renewable energy sources**".

On page 109, Article 25, paragraph 1, subparagraph 13 should read "In case the contribution from biofuels and bioliquids, as well as from biomass fuels consumed in transport, produced from food and feed crops in a Member State is limited to a share lower than 7% and/or a Member State decides to limit the contribution further, that Member State may reduce the overall share referred to in the first sub-paragraph **accordingly** by maximal 7 percentage points."
