Subject: COMMISSION DELEGATED REGULATION (EU) .../... of 18.5.2018
amending and correcting Delegated Regulation (EU) 2017/654
supplementing Regulation (EU) 2016/1628 of the European Parliament and
of the Council with regard to technical and general requirements relating to
emission limits and type-approval for internal combustion engines for non-
road mobile machinery.
- Intention not to raise objections to a delegated act

1. The Commission has submitted the above delegated act¹ to the Council in accordance with the procedure set out in Article 290 TFEU and Article 19(2) of Regulation (EU) No 2016/1628² of the European Parliament and of the Council with regard to technical and general requirements relating to emission limits and type-approval for internal combustion engines for non-road mobile machinery. The Commission having notified the delegated act to the Council on 18 May 2018, the Council may object to it until 19 July 2018.

¹ Council doc. 9114/18 + ADD1.

² OJ L 252, 16.9.2016, p. 53.

2. The Working Party on Technical Harmonisation (Motor Vehicles) has examined the delegated act by an electronic information procedure initiated on 23 May 2018 and silently agreed that there are no grounds for the Council to object to it.

3. It is therefore suggested that the Permanent Representatives Committee recommends to the Council to confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies, that unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Regulation (EU) No 2016/1628.
