Draft design of the commemorative coin: The 100th anniversary of the foundation of the University of Ljubljana

Description of the design: The University of Ljubljana's logo is the core of design. On the left side of the coin the University's facade above the solid square of its logo is replaced with an inscription "100 LET UNIVERZE V LJUBLJANI". Coin's background is textured in order to achieve a larger impact of the inscription with the solid square. On the lower part of the right side of the coin is an inscription "SLOVENIJA 2019".

The 12 stars of the European Union flag surround the design and a word "SLOVENIJA" and a dot are engraved on the edge of the coin.

Issuance: 1 million coins

Date of issue: 4th quarter of 2019
