Deputy Director-General,  
General and Institutional Policy

HAVING REGARD TO Article 308 of the Treaty on the Functioning of the European Union, pursuant to which the European Investment Bank may request the Council to amend the Statute by special legislative procedure,

WHEREAS the United Kingdom is expected to withdraw from the European Union as of 30 March 2019 in accordance with the provisions of Article 50 of the Treaty on European Union,

WHEREAS in accordance with Article 308 of the Treaty on the Functioning of the European Union, the members of the European Investment Bank are the Member States,

WHEREAS the withdrawal of the United Kingdom from the European Union will bring an end to the membership of the United Kingdom in the European Investment Bank, to its subscribed capital in the Bank, to its right to nominate members and alternate members of the Board of Directors, and to the term of office of the members and alternate members of the Board of Directors nominated by the United Kingdom,

WHEREAS the maintenance of the capital of the Bank requires an increase of the capital subscribed by the remaining Member States,

WHEREAS the increase of the capital subscribed by the remaining Member States should go in parallel with a further strengthening of the governance of the Bank,

WHEREAS the function of the Board of Directors should be strengthened, allowing the nomination of additional alternates, and better use should be made of alternate Board members and non-voting experts to enhance their support to the decision-making process of the Board of Directors, in particular regarding the analysis of financing proposals,

WHEREAS the use of qualified majority voting in the Board of Directors and the Board of Governors should be extended to crucial areas, namely the decision on the Bank's Operational Plan, the appointment of members of the Management Committee and the approval of the Rules of Procedure,

WHEREAS the Bank should take further initiatives to reflect, in line with best banking practice, the principles of "three lines of defence", at all relevant levels of the institution, including in the Management Committee,

WHEREAS in line with Member States' expectations, lending volumes should be kept sustainable and a framework for determining sustainable lending levels should be further developed,

WHEREAS the function of the Audit Committee shall be strengthened by making sure that the Committee has amongst its members knowledge on supervisory issues, the selection process for members of the Audit Committee should also be explored to ensure, *inter alia*, that the Audit Committee always includes members drawn from a banking supervisory authority from both inside and outside the euro area,

WHEREAS certain of these changes require changes to the Statute of the European Investment Bank,
