Council statement EBA/EMA

"Recalling the commitment of the European Parliament, the Council and the Commission to sincere and transparent cooperation, and in the light of the process followed for the relocation of the EMA and EBA, which was specific to the situation and did not constitute a precedent for location of agencies in the future,

While recalling the Treaties, the Council acknowledges the value of enhanced exchange of information from the initial stages of future processes for the location of agencies.

Such early exchange of information would make it easier for the three Institutions to exercise their rights according to the Treaties through the related procedures.

The Council takes note of the request by the European Parliament to revise, as soon as possible, the 2012 Joint Statement and Common Approach on decentralised Agencies. As a first step, it invites the Commission to provide, by April 2019, an in-depth analysis of the implementation of the Joint Statement and Common Approach as regards the location of decentralised Agencies. This analysis would serve as a basis to assess the way forward in engaging with the process of such a revision."
