From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
No. Cion doc.:	14078/18 + ADD 1 - C(2018) 7151 final + Annex
Subject:	Commission Delegated Regulation (EU) .../... of 6.11.2018 amending Annex II to Delegated Regulation (EU) No 1062/2014 on the work programme for the systematic examination of all existing active substances contained in biocidal products referred to in Regulation (EU) No 528/2012 of the European Parliament and of the Council - Intention not to raise objection to a delegated act

1. The Commission has submitted the above delegated act¹ to the Council in accordance with the procedure set out in Article 290 TFEU and in particular Article 89(1) of Regulation (EU) No 528/2012 of the European Parliament and of the Council of 22 May 2012 concerning the making available on the market and use of biocidal products². The Commission having notified the delegated act on 6 November 2018, the Council may object to it until 7 January 2019.

¹ Doc. 14078/18 + ADD 1.

² OJ L 167, 27.6.2012.

2. The Working Party on Environment has examined the delegated act through an informal written procedure and agreed that there are no grounds for the Council to object it.
3. It is therefore suggested that Coreper recommends that the Council confirms that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the twentieth day following its publication in the Official Journal of the European Union in accordance with Article 2 of the Delegated Regulation.
