**ITEMS DEBATED****Brexit negotiations: Preparation of special meeting of European Council**

The Council, in an EU27 format, prepared the special meeting of the European Council (Art. 50) scheduled for Sunday 25 November 2018. The EU chief negotiator Michel Barnier informed ministers on the state of play.

In preparation for the summit, ministers exchanged views on the draft Brexit withdrawal agreement as presented and published by the negotiators on 14 November 2018. This text has been agreed by both sides, the EU and the UK, at the level of the negotiators.

Ministers also commented on the outline for a political declaration on future EU-UK relations that was presented by the negotiators together with the draft withdrawal agreement on 14 November 2018. This outline serves as a basis for the final text of the political declaration that is currently being negotiated with the UK and that will accompany and be referred to in the withdrawal agreement.

Ministers gave the chief negotiator guidance for the discussions on the political declaration, recalling the positions of the EU27 that are already set out in the European Council (Article 50) guidelines, notably those of March 2018. The Commission intends to agree on a final draft of the political declaration with the UK by Tuesday 20 November 2018.
