DELACTION 103

'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

No. Cion doc.: 7497/19 - C(2019) 1839 final

Subject: COMMISSION DELEGATED REGULATION (EU) .../... of 12.3.2019
amending Regulation (EU) No 389/2013 as regards the technical
implementation of the second commitment period of the Kyoto Protocol
– Intention not to raise objection to a delegated act

1. The Commission has submitted the above delegated act¹ to the Council in accordance with the procedure set out in Article 290 TFEU and in particular the Article 10(6) of Regulation (EU) No 525/2013 of the European Parliament and of the Council of 21 May 2013 on a mechanism for monitoring and reporting greenhouse gas emissions and for reporting other information at national and Union level relevant to climate change and repealing Decision No 280/2004/EC². The Commission having notified the delegated act on 12 March 2019, the Council may object to it until 12 May 2019.

¹ Doc. 7497/19.

² OJ L 165, 18.6.2013, p. 13.

2. The Working Party on Environment has examined the delegated act through an informal written procedure and agreed that there are no grounds for the Council to object it.
 3. It is therefore suggested that Coreper recommends that the Council confirms that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the twentieth day following that of its publication in the Official Journal of the European Union in accordance with Article 2 of the Delegated Regulation.
