'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

Subject: COMMISSION DELEGATED REGULATION (EU) .../... amending Regulation (EU) No 540/2014 of the European Parliament and of the Council on the sound level of motor vehicles and of replacement silencing systems
- Intention not to raise objections to a delegated act

1. The Commission has submitted the above delegated act to the Council in accordance with the procedure set out in Article 290(2)(b) TFEU and with regard to Articles 8 and 9 of Regulation (EU) No 540/2014 of the European Parliament and of the Council of 16 April 2014 on the sound level of motor vehicles and of replacement silencing systems. The Commission having adopted the delegated act on 7 March 2019, the Council may object to it until 7 May 2019.
2. The Working Party on Technical Harmonisation (Motor Vehicles) has examined the delegated act by an electronic information procedure initiated on 8 March 2019 and silently agreed that there are no grounds for the Council to object to it.

3. It is therefore suggested that the Permanent Representatives Committee recommends to the Council to confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the day following that of its publication in the Official Journal of the European Union.
