Subject: COMMISSION DELEGATED REGULATION (EU) .../... of 13.3.2019 amending Annex I to Regulation (EU) 2018/956 of the European Parliament and of the Council as regards the data on new heavy-duty vehicles to be monitored and reported by Member States and by manufacturers

– Intention not to raise objection to a delegated act

1. The Commission has submitted the above delegated act¹ to the Council in accordance with the procedure set out in Article 290 TFEU and in particular point (a) of Article 11(1) of Regulation (EU) 2018/956 of the European Parliament and of the Council of 28 June 2018 on the monitoring and reporting of CO₂ emissions from and fuel consumption of new heavy-duty vehicles². The Commission having notified the delegated act on 13 March 2019, the Council may object to it until 13 May 2019.

¹ Doc. 7792/19 + ADD 1.

² OJ L 173, 9.7.2018, p. 1.

2. The Working Party on Environment has examined the delegated act and agreed that there are no grounds for the Council to object it.
 3. It is therefore suggested that Coreper recommends that the Council confirms that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the twentieth day following that of its publication in the Official Journal of the European Union in accordance with Article 2 of the Delegated Regulation.
