Subject: Proposal for a DIRECTIVE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Directive 2009/65/EC of the European Parliament and of the Council and Directive 2011/61/EU of the European Parliament and of the Council with regard to cross-border distribution of collective investment funds
- Outcome of the European Parliament's first reading
(Strasbourg, 15 to 18 April 2019)

I. INTRODUCTION

In accordance with the provisions of Article 294 of the TFEU and the joint declaration on practical arrangements for the codecision procedure¹, a number of informal contacts have taken place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this dossier at first reading, thereby avoiding the need for second reading and conciliation.

¹ OJ C 145, 30.6.2007, p. 5.

In this context, the rapporteur, Wolf KLINZ (ALDE, DE), presented a compromise amendment (amendment 2) to the proposal for a Directive on behalf of the Committee on Economic and Monetary Affairs. This amendment had been agreed during the informal contacts referred to above.

II. VOTE

When it voted on 16 April 2019, the plenary adopted the compromise amendment (amendment 2) to the proposal for a Directive. The Commission's proposal as thus amended constitutes the Parliament's first-reading position which is contained in its legislative resolution as set out in the Annex hereto².

The Parliament's position reflects what had been previously agreed between the institutions. The Council should therefore be in a position to approve the Parliament's position.

The act would then be adopted in the wording which corresponds to the Parliament's position.

² The version of the Parliament's position in the legislative resolution has been marked up to indicate the changes made by the amendments to the Commission's proposal. Additions to the Commission's text are highlighted in ***bold and italics***. The symbol "■" indicates deleted text.

(Text with EEA relevance)

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 53(1) thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

■

Having regard to the opinion of the European Economic and Social Committee¹,

Acting in accordance with the ordinary legislative procedure²,

¹ OJ C 367, 10.10.2018, p. 50.

² Position of the European Parliament of 16 April 2019.

Whereas:

- (1) Common objectives of Directive 2009/65/EC of the European Parliament and of the Council¹ and Directive 2011/61/EU of the European Parliament and of the Council² include ensuring a level playing field among collective investment undertakings and removing restrictions to the free movement of units and shares of collective investment **undertakings** in the Union, at the same time ensuring more uniform protection for investors. While those objectives have been largely achieved, certain barriers still hamper the ability of fund managers to fully benefit from the internal market.
- (2) This Directive is complemented by Regulation (EU) 2019/... of the European Parliament and of the Council³⁺. That Regulation lays down additional rules and procedures concerning undertakings for collective investment in transferable securities (UCITS) and alternative investment fund managers (AIFMs). That Regulation and this Directive should collectively further coordinate the conditions for fund managers operating in the internal market and facilitate cross-border distribution of the funds they manage.
- (3) It is necessary to fill in the regulatory gap and align the procedure █ for notifying competent authorities of changes **regarding** UCITS **with the notification procedure** laid down in Directive 2011/61/EU.

¹ Directive 2009/65/EC of the European Parliament and of the Council of 13 July 2009 on the coordination of laws, regulations and administrative provisions relating to undertakings for collective investment in transferable securities (UCITS) (OJ L 302, 17.11.2009, p. 32).

² Directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011 on Alternative Investment Fund Managers and amending Directives 2003/41/EC and 2009/65/EC and Regulations (EC) No 1060/2009 and (EU) No 1095/2010 (OJ L 174, 1.7.2011, p. 1).

³ Regulation (EU) 2019/... of the European Parliament and of the Council of ... on facilitating cross-border distribution of collective investment **undertakings** and amending Regulations (EU) No 345/2013, (EU) No 346/2013 and (EU) No 1286/2014 (OJ L ...).

⁺ OJ: Please insert in the text the number of the Regulation contained in document PE-CONS .../... (2018/0045(COD)) and insert the number, date and OJ reference of that Regulation in the footnote.

- (4) Regulation (EU) 2019/...⁺ further strengthens the principles applicable to marketing communications governed by Directive 2009/65/EC and extends the application of those principles to AIFMs, thereby resulting in a high standard of investor protection, regardless of the type of investor. The corresponding provisions of Directive 2009/65/EC relating to marketing communications and accessibility of national laws and regulations relevant to the arrangement of marketing units of UCITS are therefore no longer necessary and should be deleted.

- (5) The provisions of Directive 2009/65/EC which require UCITS to provide facilities to investors, as implemented by certain national legal systems, have proven to be burdensome. In addition, local facilities are rarely used by investors in the manner intended by that Directive. The preferred method of contact has shifted to direct interaction between investors and fund managers, either electronically or by telephone, whereas payments and redemptions are executed through other channels. While those local facilities are currently used for administrative purposes such as cross-border recovery of regulatory fees, such issues should be addressed via other means including cooperation between competent authorities. Consequently, rules should be established which modernise and specify the requirements for providing facilities to retail investors, **and Member States should not require a local physical presence for the provision of such facilities**. In any case, those rules should ensure that investors have access to the information to which they are entitled.
- (6) In order to ensure the consistent treatment of retail investors, it is necessary that the requirements relating to facilities are also applied to AIFMs where Member States allow them to market units or shares of alternative investment funds (AIFs) to retail investors in their territories.
-
- (7) The absence of clear and uniform conditions for the discontinuation of marketing of units or shares of a UCITS or an AIF in a host Member State creates economic and legal uncertainty for fund managers. Therefore, Directives 2009/65/EC and 2011/61/EU should set out clear conditions ■ under which **de-notification of the arrangements made for marketing as regards some or all of the units or shares** could take place. ■ Those conditions should balance, on the one hand, the **ability of collective investment undertakings or their managers to terminate their arrangements made for marketing of their shares or units** when the established conditions are met and, on the other hand, the interests of investors in **such undertakings**.

- (8) The possibility to cease marketing UCITS or AIFs in a particular Member State should neither come at a cost to investors nor diminish their safeguards under Directive 2009/65/EC or Directive 2011/61/EU, in particular with regard to their right to accurate information on the continued activities of those funds.
- (9) There are cases where an AIFM wishing to test investor appetite for a particular investment idea or investment strategy is faced with diverging treatment of pre-marketing in different national legal systems. The definition of pre-marketing and the conditions under which it is permitted vary considerably between those Member States in which it is permitted, whereas in other Member States there is no concept of pre-marketing at all. To address those divergences, a harmonised definition of pre-marketing should be provided and the conditions under which an EU AIFM can engage in *pre-marketing* should be established.

- (10) For pre-marketing to be recognised as such under Directive 2011/61/EU, it should ***be addressed to potential professional investors and*** concern an investment idea or ***investment*** strategy in order to test their interest in an AIF or a compartment which is not yet established, ***or which is established, but not yet notified for marketing in accordance with that Directive***. Accordingly, during the course of pre-marketing, it should not be possible for investors to subscribe to the units or shares of an AIF ***and the distribution of subscription forms or similar documents to potential professional investors, whether in draft or final form***, should not be permitted. ***EU AIFMs should ensure that investors do not acquire units or shares in an AIF through pre-marketing and that investors contacted as part of pre-marketing can only acquire units or shares in that AIF through marketing permitted under Directive 2011/61/EU***. Any subscription by professional investors, ***within 18 months of the EU AIFM having begun pre-marketing***, to units or shares of an AIF ***referred to in the information provided in the context of pre-marketing, or of an AIF established as a result of the pre-marketing***, ***should*** be considered to be the result of marketing ***and should be subject to the applicable notification procedures referred to in Directive 2011/61/EU***. To ensure that national competent authorities can exercise control over pre-marketing in their Member State, an EU AIFM should send, ***within 2 weeks of having begun pre-marketing, an informal letter, in paper form or by electronic means, to the competent authorities of its home Member State, specifying inter alia in which Member States it is or has engaged in pre-marketing, the periods during which the pre-marketing is taking or has taken place and including, where relevant, a list of its AIFs and compartments of AIFs which are or were the subject of pre-marketing. The competent authorities of the home Member State of the EU AIFM should promptly inform the competent authorities of the Member States in which the EU AIFM is or has engaged in pre-marketing thereof.***

- (11) *EU AIFMs should ensure that their pre-marketing is adequately documented.*
- (12) *National laws, regulations and administrative provisions necessary to comply with Directive 2011/61/EU and, in particular, with harmonised rules on pre-marketing, should not in any way disadvantage EU AIFMs vis-à-vis non-EU AIFMs. This concerns both the current situation in which non-EU AIFMs do not have passporting rights, and a situation in which the provisions on such passporting in Directive 2011/61/EU become applicable.*
- (13) In order to ensure legal certainty, it is necessary to synchronise the application dates of *national* laws, regulations and administrative provisions implementing this Directive *and* Regulation (EU) 2019/...⁺ with regard to relevant provisions on marketing communications and pre-marketing.

⁺ OJ: Please insert in the text the number of the Regulation contained in document PE-CONS .../... (2018/0045(COD)).

- (14) In accordance with the Joint Political Declaration of 28 September 2011 of Member States and the Commission on explanatory documents¹, Member States have undertaken to accompany, in justified cases, the notification of their transposition measures with one or more documents explaining the relationship between the components of a directive and the corresponding parts of national transposition instruments. With regard to this Directive, the legislator considers the transmission of such documents to be justified,

HAVE ADOPTED THIS DIRECTIVE:

¹ OJ C 369, 17.12.2011, p. 14.

If a planned change is implemented notwithstanding the first and second subparagraphs, or if an unplanned change has taken place pursuant to which the AIFM’s management of the AIF would no longer comply with this Directive or the AIFM otherwise would no longer comply with this Directive, the competent authorities of the home Member State of the AIFM shall take all due measures in accordance with Article 46, including, if necessary, the express prohibition of marketing of the AIF *and shall notify the competent authorities of the host Member State of the AIFM accordingly without undue delay.*

If the changes do not affect the compliance of the AIFM’s management of the AIF with this Directive, or the compliance by the AIFM with this Directive otherwise, the competent authorities of the home Member State of the AIFM shall within 1 month inform the competent authorities of the host Member State of the AIFM of those changes.’;
