'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
Subject:	Draft REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL laying down rules on the making available on the market of EU fertilising products and amending Regulations (EC) No 1069/2009 and (EC) No 1107/2009 and repealing Regulation (EC) No 2003/2003 (first reading) - Adoption of the legislative act

1. On 17 March 2016 the Commission sent the above proposal¹ to the Council.
2. The European Economic and Social Committee delivered its opinion on 14 July 2016².
3. On 27 March 2019 the European Parliament adopted its position at first reading on the Commission proposal. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council³.

¹ 7396/16.

² OJ C 389, 21.10.2016, p. 80.

³ 7738/19.

4. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council:
- approve the European Parliament's position, as set out in PE-CONS 76/18, as an "A" item at a forthcoming meeting, with Denmark voting against and Belgium abstaining;
 - decide that the statement in the addendum to this note be entered in the minutes of that meeting.
5. If the Council approves the European Parliament's position, the legislative act will be adopted.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.
