Subject: Draft Council Conclusion on Novel Actionable Information

1. At their informal meeting in Bucharest on 7-8 February 2019, the Ministers of Home Affairs expressed support for pooling knowledge on digital data in an integrated environment for law enforcement activities.
2. This was followed by a thematic discussion on the concept of Novel Actionable Information (NAI) held at the meeting of the Standing Committee on Operational Cooperation on Internal Security (COSI) on 21 February 2019 and at the informal COSI meeting on 13 March 2019. Draft Council conclusions on NAI were brought before COSI on 14 May 2019 where delegations agreed to submit them to COREPER/Council for adoption.
3. On that basis, COREPER is invited to submit the above-mentioned draft Council conclusions as set out in 9481/19 to the Council for adoption.
