'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
Subject:	Draft DIRECTIVE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Directive 2009/33/EC on the promotion of clean and energy-efficient road transport vehicles (first reading) - Adoption of the legislative act

1. On 8 November 2017 the Commission sent the above proposal¹, based on Article 192 TFEU, to the Council.
2. The European Economic and Social Committee delivered its opinion on 19 April 2018².
3. The Committee of the Regions delivered its opinion on 5 July 2018³.

¹ 14183/17.

² OJ C 262, 25.7.2018, p. 58.

³ OJ C 387, 25.10.2018, p. 70.

4. On 18 April 2019 the European Parliament adopted its position at first reading on the Commission proposal. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council⁴.
5. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council:
 - approve the European Parliament's position, as set out in PE-CONS 57/19, as an "A" item at a forthcoming meeting, with the Czech Republic, Germany, Poland and the Slovak Republic voting against and Austria, Estonia and Latvia abstaining;
 - decide that the statements in the addendum to this note be entered in the minutes of that meeting.

If the Council approves the European Parliament's position, the legislative act will be adopted.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.

⁴ 8451/19.
