#### **Statement by the Commission**

The Commission welcomes the political agreement reached by the European Parliament and the Council on the proposal for a Regulation on the transparency and sustainability of the EU risk assessment in the food chain.

However, the Commission regrets that the co-legislators have decided to deviate from the Common Approach of the Parliament, the Council and the Commission on decentralised agencies of 19 July 2012.

In particular, the Commission regrets the deviation from the Common Approach with regard to the composition of the Management Board of the European Food Safety Authority (number of members designated by the European Parliament).

This deviation should not be considered as a precedent for other agencies.
