Belarus shall readmit, upon application by a Member State and without further formalities other than those provided for in this agreement, all persons who do not, or who no longer, fulfil the conditions in force for entry to, presence in, or residence on, the territory of the requesting Member State provided that it is proved, or may be validly assumed on the basis of *prima facie* evidence furnished, that they are nationals of Belarus.

2. Belarus shall also readmit:

- minor unmarried children of the persons mentioned in paragraph 1, regardless of their place of birth or their nationality, unless they have an independent right of residence in the Requesting Member State,

#### *Article 6*

### **Readmission of third-country nationals and stateless persons**

1. A Member State shall readmit, upon application by Belarus and without further formalities other than those provided for in this Agreement, all third-country nationals or stateless persons who do not, or who no longer, fulfil the conditions in force for entry to, presence in, or residence on, the territory of Belarus provided that it is proved, or may be validly assumed on the basis of *prima facie* evidence furnished, that such persons:

### SECTION III

#### READMISSION PROCEDURE

##### *Article 7*

## Principles

1. Subject to paragraph 2, any transfer of a person to be readmitted on the basis of one of the obligations contained in Articles 3 to 6 shall require the submission of a readmission application to the competent authority of the Requested State.
2. If the person to be readmitted is in possession of any valid travel document listed in Annex I to this Agreement and, in the case of third country nationals or stateless persons, a valid visa or residence permit of the Requested State the transfer of such person can take place without the Requesting State having to submit a readmission application or written notification referred to in Article 12(1) to the competent authority of the Requested State.
3. Without prejudice to paragraph 2, if a person has been apprehended in the border region (including airports) of the Requesting State after illegally crossing the border coming directly from the territory of the Requested State, the Requesting State may submit a readmission application within two working days following this person's apprehension (accelerated procedure).

### Article 8

#### Readmission application

1. To the extent possible, the readmission application is to contain the following information:

the particulars of the person to be readmitted (e.g. given names, surnames, date of birth, and – where possible – place of birth, and the last place of residence) and, where applicable, the particulars of any spouse and/or minor unmarried children;

in case of own nationals, indication of the means of proof or *prima facie* evidence of nationality as set out by Annexes 1 and 2 respectively;

in case of third country nationals and stateless persons, indication of the means of proof or *prima facie* evidence of the conditions for the readmission of third-country nationals and stateless persons as provided for by Annexes 3 and 4 respectively;

photograph of the person to be readmitted;

where necessary, fingerprints, in accordance with the applicable legislation of the Requesting State.

2. To the extent possible, the readmission application shall also contain the following information:

- (a) a statement indicating that the person to be transferred may need help or care, provided the person concerned has explicitly consented to the statement;

(b) any other protection, security measure or information concerning the health of the person, which may be necessary in the individual transfer case.

3. A common form to be used for readmission applications is attached as Annex 5 to this Agreement.

4. A readmission application may be submitted by any means of communication including electronic means such as fax, e-mails etc.

## *Article 9*

### **Means of evidence regarding nationality**

1. Proof of nationality pursuant to Article 3 (1) and Article 5 (1) can be furnished through the documents listed in Annex 1 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Belarus shall mutually recognise the nationality without further investigation being required. Proof of nationality cannot be furnished through false documents.

2. *Prima facie* evidence of nationality pursuant to Article 3 (1) and Article 5 (1) can be furnished through the documents listed in Annex 2 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Belarus shall deem the nationality to be established, unless they can prove otherwise. *Prima facie* evidence of nationality cannot be furnished through false documents.

3. If none of the documents listed in Annexes 1 or 2 can be presented, the competent diplomatic or consular representation of the Requested State concerned shall, upon a request from the Requesting State which is to be included in the readmission application, interview the person to be readmitted without undue delay, at the latest within seven calendar days from the requesting day, in order to establish his or her nationality. The procedure for such interviews may be established in the implementing Protocols provided for in Article 20 of this Agreement.

## *Article 10*

### **Means of evidence regarding third-country nationals and stateless persons**

1. Proof of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 4 (1) and Article 6 (1) shall be furnished through the means of evidence listed in Annex 3 to this Agreement; it cannot be furnished through false

documents. Any such proof shall be mutually recognised by the Member States and Belarus without any further investigation being required.

2. *Prima facie* evidence of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 4 (1) and Article 6 (1) shall be furnished through the means of evidence listed in Annex 4 to this Agreement; it cannot be furnished through false documents. Where such *prima facie* evidence is presented, the Member States and Belarus shall deem the conditions to be established, unless they can prove otherwise.

3. The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A statement by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide *prima facie* evidence of the unlawful entry, presence or residence.

## *Article 11*

### **Time limits**

1. The application for readmission must be submitted to the competent authority of the Requested State within a maximum of 180 days after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person does not, or does no longer fulfil the conditions in force for entry, presence or residence. Where there are legal or other obstacles to the application being submitted in time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

2. A readmission application must be replied to in writing

- within two working days if the application has been made under the accelerated procedure (Article 7(3));
- within 10 calendar days in all other cases.

This time limit begins to run with the date of receipt of the readmission request. If there was no reply within this time limit, the transfer shall be deemed to have been agreed to.

Reply to a readmission application may be submitted by any means of communication including electronic ones e.g. fax, e-mails etc.

3. Reasons shall be given in writing for the refusal of a readmission request.

4. After agreement has been given or, where appropriate, after expiry of the time limits laid down in paragraph 2, the person concerned shall be transferred within three months. On request of the Requesting State, this time limit may be extended by the time taken to deal with legal or other obstacles.

#### *Article 12*

### **Transfer modalities and modes of transportation**

1. Without prejudice to Article 7(2), before returning a person, the competent authorities of the Requesting State shall notify in writing at least 72 hours in advance the competent authorities of the Requested State regarding the transfer date, the international point of entry, possible escorts and other information relevant to the transfer.

2. Transportation may take place by any means including by air. Return by air shall not be restricted to the use of the national carriers of Belarus or the Member States and may take place by using scheduled or charter flights. In the event of escorted returns, such escorts shall not be restricted to authorised persons of the Requesting State, provided that they are authorised persons by Belarus or any Member State.

3. If the transfer takes place by air, possible escorts shall be exempted from having to obtain necessary visas.

#### *Article 13*

### **Readmission in error**

The Requesting State shall take back any person readmitted by the Requested State if it is established and justified, within a period of three months after the transfer of the person concerned, that the requirements laid down in Articles 3 to 6 of this Agreement are not met.

In such cases the procedural provisions of this Agreement shall apply *mutatis mutandis* and all available information relating to the actual identity and nationality of the person to be taken back shall be provided.

## SECTION IV

### **TRANSIT OPERATIONS**

#### *Article 14*

## Principles

1. The Member States and Belarus should restrict the transit of third-country nationals or stateless persons to cases where such persons cannot be returned to the State of destination directly.
2. Belarus shall allow the transit of third-country nationals or stateless persons if a Member State so requests, and a Member State shall authorise the transit of third-country nationals or stateless persons if Belarus so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.
3. Transit can be refused by Belarus or a Member State:

if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit; or

if the third-country national or the stateless person shall be subject to criminal sanctions in the Requested State or in another State of transit; or

on grounds of public health, domestic security, public order or other national interests of the Requested State.

4. Belarus or a Member State may revoke any authorisation issued if circumstances referred to in paragraph 3 subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey in possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

## *Article 15*

### **Transit procedure**

1. An application for transit operations must be submitted to the competent authority of the Requested State in writing and is to contain the following information:
  - (a) type of transit (by air, sea or land), possible other States of transit and intended final destination;

- (b) the particulars of the person concerned (e.g. given name, surname, maiden name, other names used/by which known or aliases, date of birth, sex and – where possible – place of birth, nationality, language, type and number of travel document);
- (c) envisaged international point of entry, time of transfer and possible use of escorts;
- (d) a declaration that in the view of the Requesting State the conditions pursuant to Article 14 (2) are met, and that no reasons for a refusal pursuant to Article 14 (3) are known of.

A common form to be used for transit applications is attached as Annex 6 to this Agreement.

A transit application may be submitted by any means of communication including electronic means such as fax, e-mails etc.

2. The Requested State shall, within three working days after receipt of the application and in writing, inform the Requesting State of the admission, confirming the point of entry and the envisaged time of admission, or inform it of the admission refusal and of the reasons for such refusal. If there was no reply within three working days the transit shall be deemed to have been agreed to.

Reply to a transit application may be submitted by any means of communication including electronic means such as fax, e-mails etc.

3. If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.

4. The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

## SECTION V

### COSTS

#### *Article 16*

### TRANSPORT AND TRANSIT COSTS

Without prejudice to the right of the competent authorities to recover the costs associated with the readmission from the person to be readmitted or third parties, all transport costs incurred in connection with readmission and transit operations pursuant to this Agreement as far as the border of the State of final destination shall be borne by the Requesting State.

## SECTION VI
