for the control of exports, transfer, brokering and transit of dual-use items**

ANNEX II

“ANNEX IIa

UNION GENERAL EXPORT AUTHORISATION NO EU001

(referred to in Article 9(1) of this Regulation)

Exports to Australia, Canada, Japan, New Zealand, Norway, Switzerland, including Liechtenstein, and United States of America

Issuing authority: European Commission

Part 1

This general export authorisation covers all dual-use items specified in any entry in Annex I to this Regulation, except those listed in Annex IIg.

Part 2

This export authorisation is valid throughout the Union for exports to the following destinations:

- Australia
- Canada
- Japan
- New Zealand
- Norway
- Switzerland, including Liechtenstein
- United States of America

Conditions and requirements for use of this authorisation

1. Exporters that use this authorisation shall notify the competent authorities of the Member State where they are established of their first use of this authorisation no later than 30 days after the date when the first export took place.

Exporters shall also report in the Single Administrative Document the fact that they are using this authorisation EU 001 by indicating in box 44 the reference X002.

2. This authorisation may not be used if:
 - the exporter has been informed by the competent authorities of the Member State in which he is established that the items in question are or may be intended, in their entirety or in part, for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices or the development, production, maintenance or storage of missiles capable of delivering such weapons, or if the exporter is aware that the items in question are intended for such use;
 - the exporter has been informed by the competent authorities of the Member State in which he is established that the items in question are or may be intended for a military end use as defined in Article 4(2) of this Regulation in a country subject to an arms embargo imposed by a decision or a common

position adopted by the Council or a decision of the OSCE or an arms embargo imposed by a binding resolution of the Security Council of the United Nations, or if the exporter is aware that the items in question are intended for the above mentioned uses;

- the relevant items are exported to a customs free zone or free warehouse which is located in a destination covered by this authorisation.

3. Reporting requirements attached to the use of this authorisation and the additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require the exporters established in that Member State to register prior to the first use of this authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within ten working days of receipt.

Where applicable the requirements set out in the first two paragraphs of this point shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.

ANNEX IIb

UNION GENERAL EXPORT AUTHORISATION No EU002

(referred to in Article 9(1) of this Regulation)

Part 2 –Destinations

This authorisation is valid throughout the Union for exports to the following destinations:

- Argentina,
- Croatia,
- Iceland,
- South Africa,
- South Korea,
- Turkey.

Part 3 –Conditions and requirements for use

1. This authorisation does not authorise the export of items where:
 - (1) the exporter has been informed by the competent authorities of the Member State in which he is established as defined in Article 9(6) of this Regulation that the items in question are or may be intended, in their entirety or in part:
 - (a) for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices, or the development, production, maintenance or storage of missiles capable of delivering such weapons;
 - (b) for a military end-use as defined in Article 4(2) of this Regulation in a country subject to an arms embargo imposed by a decision or a common position adopted by the Council or a decision of the Organisation for Security and Cooperation in Europe or an arms embargo imposed by a binding resolution of the Security Council of the United Nations; or
 - (c) for use as parts or components of military items listed in national military lists that have been exported from the territory of the Member State concerned without authorisation or in breach of an authorisation prescribed by the national legislation of that Member State;
 - (2) the exporter, under his obligation to exercise due diligence, is aware that the items in question are intended, in their entirety or in part, for any of the uses referred to in subparagraph (1);
 - (3) the relevant items are exported to a customs-free zone or a free warehouse which is located in a destination covered by this authorisation.
2. Exporters must mention the EU reference number X002 and specify that the items are being exported under Union General Export Authorisation EU002 in box 44 of the Single Administrative Document.
3. Any exporter who uses this authorisation must notify the competent authorities of the Member State where he is established of the first use of this authorisation no later than 30 days after the date when the first export took place or, alternatively, and in accordance with a requirement by the competent authority of the Member State where the exporter is established, prior to the first use of this authorisation. Member States shall notify the Commission of the notification mechanism chosen for this authorisation. The Commission shall publish the information notified to it in the C series of the *Official Journal of the European Union*.

Reporting requirements attached to the use of this authorisation and additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require the exporters established in that Member State to register prior to the first use of this authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within 10 working days of receipt, subject to Article 9(1) of this Regulation.

Where applicable the requirements set out in the second and third paragraphs shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.

Montenegro

Morocco

Republic of North Macedonia, the

Russia

Serbia

Singapore

South Africa

South Korea

Tunisia

Turkey

Ukraine

United Arab Emirates

Part 3 —Conditions and requirements for use

1. This authorisation can only be used when the initial export has taken place under a Union General Export Authorisation or an initial export authorisation has been granted by the competent authorities of the Member State where the original exporter

was established for the export of the items which have subsequently been reimported into the customs territory of the European Union for the purposes of maintenance, repair or replacement. This authorisation is valid only for exports to the original end-user.

2. This authorisation does not authorise the export of items where:
 - (1) the exporter has been informed by the competent authorities of the Member State in which he is established as defined in Article 9(6) of this Regulation that the items in question are or may be intended, in their entirety or in part,
 - (a) for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices or the development, production, maintenance or storage of missiles capable of delivering such weapons;
 - (b) for a military end-use as defined in Article 4(2) of this Regulation where the purchasing country or country of destination is subject to an arms embargo imposed by a decision or a common position adopted by the Council or a decision of the Organisation for Security and Cooperation in Europe or an arms embargo imposed by a binding resolution of the Security Council of the United Nations; or
 - (c) for use as parts or components of military items listed in the national military list that have been exported from the territory of the Member State concerned without authorisation or in breach of an authorisation prescribed by the national legislation of that Member State;
 - (2) the exporter is aware that the items in question are intended, in their entirety or in part, for any of the uses referred to in subparagraph (1);
 - (3) the relevant items are exported to a customs-free zone or a free warehouse which is located in a destination covered by this authorisation;
 - (4) the initial authorisation has been annulled, suspended, modified or revoked;
 - (5) the exporter, under his obligation to exercise due diligence, is aware that the end-use of the items in question is different from that specified in the original export authorisation.
3. On exportation of any of the items pursuant to this authorisation, exporters must:
 - (1) mention the reference number of the initial export authorisation in the export declaration to customs together with the name of the Member State that granted the authorisation, the EU reference number X002 and specify that the items are being exported under Union General Export Authorisation EU003 in box 44 of the Single Administrative Document;
 - (2) provide customs officers, if so requested, with documentary evidence of the date of importation of the items into the Union, of any maintenance, repair or replacement of the items carried out in the Union and of the fact that the items are being returned to the end-user and the country from which they were imported into the Union.
4. Any exporter who uses this authorisation must notify the competent authorities of the Member State where he is established of the first use of this authorisation no later than 30 days after the date when the first export took place or, alternatively, and in

accordance with a requirement by the competent authority of the Member State where the exporter is established, prior to the first use of this authorisation. Member States shall notify the Commission of the notification mechanism chosen for this authorisation. The Commission shall publish the information notified to it in the C series of the *Official Journal of the European Union*.

Reporting requirements attached to the use of this authorisation and additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require the exporter established in that Member State to register prior to the first use of this authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within 10 working days of receipt, subject to Article 9(1) of this Regulation.

Where applicable the requirements set out in the second and third subparagraphs shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.

5. This authorisation covers items for ‘repair’, ‘replacement’ and ‘maintenance’. This may involve coincidental improvement on the original goods, e.g. resulting from the use of modern spare parts or from use of a later built standard for reliability or safety reasons, provided that this does not result in any enhancement to the functional capability of the items or provide the items with new or additional functions.

ANNEX II

UNION GENERAL EXPORT AUTHORISATION No EU004

(referred to in Article 9(1) of this Regulation)

Temporary export for exhibition or fair

Issuing authority: European Union

Part 1 –Items

This general export authorisation covers all dual-use items specified in any entry in Annex I to this Regulation except:

- (a) all items listed in Annex IIg;
- (b) all items in Section D set out in Annex I to this Regulation (this does not include software necessary to the proper functioning of the equipment for the purpose of the demonstration);
- (c) all items in Section E set out in Annex I to this Regulation;
- (d) the following items specified in Annex I to this Regulation:
 - 1A002.a.,
 - 1C002.b.4.,
 - 1C010,
 - 1C012.a.,
 - 1C227,
 - 1C228,
 - 1C229,
 - 1C230,
 - 1C231,
 - 1C236,
 - 1C237,
 - 1C240,
 - 1C350,
 - 1C450,
 - 5A001.b.5.,
 - 5A002c.-e.,
 - 5A003.a., .b.,
 - 6A001,
 - 6A002.a.,
 - 6A008.1.3.,
 - 8A001.b.,

- 8A001.d.,
- 9A011.

Part 2 –Destinations

This authorisation is valid throughout the Union for exports to the following destinations:

Albania, Argentina, Bosnia and Herzegovina, Brazil, Chile, China (including Hong Kong and Macao), Croatia, French Overseas Territories, Iceland, India, Kazakhstan, Mexico, Montenegro, Morocco, the Republic of North Macedonia, Russia, Serbia, Singapore, South Africa, South Korea, Tunisia, Turkey, Ukraine, and United Arab Emirates.

Part 3 –Conditions and requirements for use

1. This authorisation authorises the export of items listed in Part 1 on condition that the export concerns temporary export for exhibition or fair as defined in point 6 and that the items are reimported within a period of 120 days after the initial export, complete and without modification, into the customs territory of the European Union.
2. The competent authority of the Member State where the exporter is established as defined in Article 9(6) of this Regulation may, at the exporter's request, waive the requirement that the items are to be reimported as stated in paragraph 1. To waive the requirement, the procedure for individual authorisations laid down in Articles 9(2) and 14(1) of this Regulation shall apply accordingly.
3. This authorisation does not authorise the export of items where:
 - (1) the exporter has been informed by the competent authorities of the Member State in which he is established that the items in question are or may be intended, in their entirety or in part:
 - (a) for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices, or the development, production, maintenance or storage of missiles capable of delivering such weapons;
 - (b) for a military end-use as defined in Article 4(2) of this Regulation where the purchasing country or country of destination is subject to an arms embargo imposed by a decision or a common position adopted by the Council or a decision of the Organisation for Security and Cooperation in Europe or an arms embargo imposed by a binding resolution of the Security Council of the United Nations; or
 - (c) for use as parts or components of military items listed in the national military list that have been exported from the territory of the Member State concerned without authorisation or in breach of an authorisation prescribed by the national legislation of that Member State;
 - (2) the exporter is aware that the items in question are intended, in their entirety or in part, for any of the uses referred to in subparagraph (1);
 - (3) the relevant items are exported to a customs-free zone or a free warehouse which is located in a destination covered by this authorisation;
 - (4) the exporter has been informed by a competent authority of the Member State in which he is established, or is otherwise aware (e.g. from information received from the manufacturer), that the items in question have been classified

by the competent authority as having a protective national security classification marking, equivalent to or above CONFIDENTIEL UE/EU CONFIDENTIAL;

- (5) their return, in their original state, without the removal, copying or dissemination of any component or software, cannot be guaranteed by the exporter, or where a transfer of technology is connected with a presentation;
 - (6) the relevant items are to be exported for a private presentation or demonstration (e.g. in in-house showrooms);
 - (7) the relevant items are to be merged into any production process;
 - (8) the relevant items are to be used for their intended purpose, except to the minimum extent required for effective demonstration, but without making specific test outputs available to third parties;
 - (9) the export is to take place as a result of a commercial transaction, in particular as regards the sale, rental or lease of the relevant items;
 - (10) the relevant items are to be stored at an exhibition or fair only for the purpose of sale, rent or lease, without being presented or demonstrated;
 - (11) the exporter makes any arrangement which would prevent him from keeping the relevant items under his control during the whole period of the temporary export.
4. Exporters must mention the EU reference number X002 and specify that the items are being exported under Union General Export Authorisation EU004 in box 44 of the Single Administrative Document.
 5. Any exporter who uses this authorisation must notify the competent authorities of the Member State where he is established of the first use of this authorisation no later than 30 days after the date when the first export took place or, alternatively, and in accordance with a requirement by the competent authority of the Member State where the exporter is established, prior to the first use of this authorisation. Member States shall notify the Commission of the notification mechanism chosen for this authorisation. The Commission shall publish the information notified to it in the C series of the *Official Journal of the European Union*.

Reporting requirements attached to the use of this authorisation and additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require exporters established in that Member State to register prior to the first use of this authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within 10 working days of receipt, subject to Article 9(1) of this Regulation.

Where applicable the requirements set out in the second and third subparagraphs shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.
 6. For the purpose of this authorisation, ‘exhibition or fair’ means commercial events of a specific duration at which several exhibitors make demonstrations of their products to trade visitors or to the general public.

ANNEX IIe

UNION GENERAL EXPORT AUTHORISATION NO EU005

(referred to in Article 9(1) of this Regulation)

Telecommunications

Issuing authority: European Union

Part 1 –Items

This general export authorisation covers the following dual-use items specified in Annex I to this Regulation:

- (a) the following items of Category 5, Part I:
 - (i) items, including specially designed or developed components and accessories therefor specified in 5A001.b.2. and 5A001.c. and 5A001.d.;
 - (ii) items specified in 5B001 and 5D001, where test, inspection and production equipment is concerned and software for items mentioned under (i);
- (b) technology controlled by 5E001.a., where required for the installation, operation, maintenance or repair of items specified under (a) and intended for the same end-user.

Part 2 –Destinations

This authorisation is valid throughout the Union for exports to the following destinations:

Argentina, China (including Hong Kong and Macao), Croatia, India, Russia, South Africa, South Korea, Turkey, and Ukraine.

Part 3 –Conditions and requirements for use

1. This authorisation does not authorise the export of items where:
 - (1) the exporter has been informed by the competent authorities of the Member State in which he is established as defined in Article 9(6) of this Regulation that the items in question are or may be intended, in their entirety or in part:
 - (a) for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices, or the development, production, maintenance or storage of missiles capable of delivering such weapons;
 - (b) for a military end-use as defined in Article 4(2) of this Regulation where the purchasing country or country of destination is subject to an arms embargo imposed by a decision or a common position adopted by the Council or a decision of the Organisation for Security and Cooperation in Europe or an arms embargo imposed by a binding resolution of the Security Council of the United Nations;
 - (c) for use as parts or components of military items listed in the national military list that have been exported from the territory of the Member State concerned without authorisation or in breach of an authorisation prescribed by the national legislation of that Member State; or
 - (d) for use in connection with a violation of human rights, democratic principles or freedom of speech as defined by the Charter of Fundamental

Rights of the European Union, by using interception technologies and digital data transfer devices for monitoring mobile phones and text messages and targeted surveillance of Internet use (e.g. via Monitoring Centres and Lawful Interception Gateways);

- (2) the exporter, under his obligation to exercise due diligence, is aware that the items in question are intended, in their entirety or in part, for any of the uses referred to in subparagraph 1;
 - (3) the exporter, under his obligation to exercise due diligence, is aware that the items in question will be re-exported to any destination other than those listed in Part 2 of this Annex or in Part 2 of Annex IIa or to Member States;
 - (4) the relevant items are exported to a customs-free zone or a free warehouse which is located in a destination covered by this authorisation.
2. Exporters must mention the EU reference number X002 and specify that the items are being exported under Union General Export Authorisation EU005 in box 44 of the Single Administrative Document.
 3. Any exporter who uses this authorisation must notify the competent authorities of the Member State where he is established of the first use of this authorisation no later than 30 days after the date when the first export took place or, alternatively, and in accordance with a requirement by the competent authority of the Member State where the exporter is established, prior to the first use of this authorisation. Member States shall notify the Commission of the notification mechanism chosen for this authorisation. The Commission shall publish the information notified to it in the C series of the *Official Journal of the European Union*.

Reporting requirements attached to the use of this authorisation and additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require exporters established in that Member State to register prior to the first use of this authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within 10 working days of receipt, subject to Article 9(1) of this Regulation.

Where applicable the requirements set out in the second and third subparagraphs shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.

4. Phosgene: Carbonyl dichloride (CAS 75-44-5);
5. Cyanogen chloride (CAS 506-77-4);
6. Hydrogen cyanide (CAS 74-90-8);
7. Chloropicrin: Trichloronitromethane (CAS 76-06-2);

1C450.b:

1. Chemicals, other than those specified in the Military Goods Controls or in 1C350, containing a phosphorus atom to which is bonded one methyl, ethyl or propyl (normal or iso) group but not further carbon atoms;
2. N,N-Dialkyl [methyl, ethyl or propyl (normal or iso)] phosphoramidic dihalides, other than N,N-Dimethylaminophosphoryl dichloride which is specified in 1C350.57;
3. Dialkyl [methyl, ethyl or propyl (normal or iso)] N,N-dialkyl [methyl, ethyl or propyl (normal or iso)]-phosphoramidates, other than Diethyl-N,N-dimethylphosphoramidate which is specified in 1C350;
4. N,N-Dialkyl [methyl, ethyl or propyl (normal or iso)] aminoethyl-2-chlorides and corresponding protonated salts, other than N,N-Diisopropyl-(beta)-aminoethyl chloride or N,N-Diisopropyl-(beta)-aminoethyl chloride hydrochloride which are specified in 1C350;
5. N,N-Dialkyl [methyl, ethyl or propyl (normal or iso)] aminoethane-2-ols and corresponding protonated salts; other than N,N-Diisopropyl-(beta)-aminoethanol (CAS 96-80-0) and N,N-Diethylaminoethanol (CAS 100-37-8) which are specified in 1C350;
6. N,N-Dialkyl [methyl, ethyl or propyl (normal or iso)] aminoethane-2-thiols and corresponding protonated salts, other than N,N-Diisopropyl-(beta)-aminoethane thiol and N,N-Diisopropylaminoethanethiol hydrochloride (CAS 41480-75-5) which are specified in 1C350;
8. Methyldiethanolamine (CAS 105-59-9).

Part 2 –Destinations

This authorisation is valid throughout the Union for exports to the following destinations:

Argentina, Croatia, Iceland, South Korea, Turkey, and Ukraine.

Part 3 –Conditions and requirements for use

1. This authorisation does not authorise the export of items where:
 - (1) the exporter has been informed by the competent authorities of the Member State in which he is established as defined in Article 9(6) of this Regulation that the items in question are or may be intended, in their entirety or in part:
 - (a) for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices, or the development, production, maintenance or storage of missiles capable of delivering such weapons;

- (b) for a military end-use as defined in Article 4(2) of this Regulation where the purchasing country or country of destination is subject to an arms embargo imposed by a decision or a common position adopted by the Council or a decision of the Organisation for Security and Cooperation in Europe or an arms embargo imposed by a binding resolution of the Security Council of the United Nations; or
 - (c) for use as parts or components of military items listed in the national military list that have been exported from the territory of the Member State concerned without authorisation or in breach of an authorisation prescribed by the national legislation of that Member State;
 - (2) the exporter, under his obligation to exercise due diligence, is aware that the items in question are intended, in their entirety or in part, for any of the uses referred to in subparagraph 1;
 - (3) the exporter, under his obligation to exercise due diligence, is aware that the items in question will be re-exported to any destination other than those listed in Part 2 of this Annex or in Part 2 of Annex IIa or to Member States; or
 - (4) the relevant items are exported to a customs-free zone or a free warehouse which is located in a destination covered by this authorisation.
2. Exporters must mention the EU reference number X002 and specify that the items are being exported under Union General Export Authorisation EU006 in box 44 of the Single Administrative Document.
3. Any exporter who uses this authorisation must notify the competent authorities of the Member State where he is established of the first use of this authorisation no later than 30 days after the date when the first export took place or, alternatively, and in accordance with a requirement by the competent authority of the Member State where the exporter is established, prior to the first use of this authorisation. Member States shall notify the Commission of the notification mechanism chosen for this authorisation. The Commission shall publish the information notified to it in the C series of the *Official Journal of the European Union*.

Reporting requirements attached to the use of this authorisation and additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require exporters established in that Member State to register prior to the first use of this authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within 10 working days of receipt, subject to Article 9(1) of this Regulation.

Where applicable the requirements set out in the second and third subparagraphs shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.

ANNEX IIg

(List referred to in Article 9(4)(a) of this Regulation and Annexes IIa, IIc and IId to this Regulation)

The entries do not always provide a complete description of the items and the related notes in Annex I. Only Annex I provides a complete description of the items. The terms appearing in straight double quotes are defined terms in the global definitions list of Annex I.

The mention of an item in this Annex does not affect the application of the General Software Note (GSN) in Annex I.

- all items specified in Annex IV,
- 0C001 "Natural uranium" or "depleted uranium" or thorium in the form of metal, alloy, chemical compound or concentrate and any other material containing one or more of the foregoing,
- 0C002 "Special fissile materials" other than those specified in Annex IV,
- 0D001 "Software" specially designed or modified for the "development", "production" or "..." of goods specified in Category 0, in so far as it relates to 0C001 or to those items of 0C002 that are excluded from Annex IV,
- 0E001 "Technology" in accordance with the Nuclear Technology Note for the "development", "production" or "..." of goods specified in Category 0, in so far as it relates to 0C001 or to those items of 0C002 that are excluded from Annex IV,
- 1A102 Resaturated pyrolysed carbon-carbon components designed for space launch vehicles specified in 9A004 or sounding rockets specified in 9A104,
- 1C351 Human and animal pathogens and "toxins",
- 1C353 Genetic elements and genetically modified organisms,
- 1C354 Plant pathogens,
- 1C450.a.1. amiton: O,O-Diethyl S-[2-(diethylamino)ethyl] phosphorothiolate (CAS 78-53-5) and corresponding alkylated or protonated salts,
- 1C450.a.2. PFIB: 1,1,3,3,3-Pentafluoro-2-(trifluoromethyl)-1-propene (CAS 382-21-8),
- 7E104 "Technology" for the integration of flight control, guidance and propulsion data into a flight management system for optimisation of rocket system trajectory,
- 9A009.a. Hybrid rocket propulsion systems with total impulse capacity exceeding 1.1 MNs,
- 9A117 Staging mechanisms, separation mechanisms and interstages usable in "missiles"
