Page 8, paragraphe 2.1.2.5, first sentence:

Instead of: "In this context the approximately 800 (in 2000) coffeeshops, that have official status and were authorised by the Minister of Justice and drawn up by the College of Principal Public Prosecutors, play a major role."

it should read: "In this context the approximately 800 (in 2000) coffeeshops play a major role. The rules governing the coffeeshops have official status and were authorised by the Minister of Justice and drawn up by the College of Principal Public Prosecutors."
