1. The Minister of Transport determines the conditions that a heavy-vehicle operator located outside of Québec but in the territory of a party to the Agreement on Internal Trade must meet to register in the bulk trucking register. The total number of registration allowed is limited. A heavy-vehicle operator located outside of Québec has to maintain its principal establishment outside of Québec and its registration cannot be transferred.
2. Participation in the performance of a road construction, repair or maintenance work contract awarded by the Minister of Transport, is limited to small bulk trucking enterprises that subscribe to the brokerage service of an association holding a brokerage permit, for a minimum of 50 per cent of the transportation required that has to be offered to the brokerage permit holder. Bulk trucking enterprises that are not registered into the register will only have access to the remaining 50 per cent of the transportation needed if the brokerage permit holder accepts the offer to transport 50 per cent of the transportation required.
3. To obtain a brokerage permit, a non-profit legal person or a cooperative shall demonstrate that it represents at least 35 per cent of the operators of heavy-vehicles that are registered in the bulk trucking register and that have its principal establishment in the zone for which the permit is applied for. An operator shall subscribe for brokerage services in the brokerage zone where he or she has his or her principal establishment or in the zone determined by regulation.
