Equality between women and men is enshrined in the Treaties of the European Union as a fundamental value.

Furthermore, the text of the Council Recommendation on individual learning accounts refers to several documents, to which previously Hungary submitted a national statement. Hungary maintains all its national statements made earlier.

OŚWIADCZENIE POLSKI ZALECENIA RADY W SPRAWIE INDYWIDUALNYCH RACHUNKÓW SZKOLENIOWYCH

Równość kobiet i mężczyzn została zapisana w traktatach Unii Europejskiej jako podstawowe prawo. Polska zapewnia równość kobiet i mężczyzn w ramach polskiego krajowego systemu prawnego zgodnie z międzynarodowymi traktatami praw człowieka oraz w ramach podstawowych wartości i zasad Unii Europejskiej. Z tych powodów, w miejscu, w których zalecenie odnosi się do równości płci, Polska będzie interpretowała ją jako równość kobiet i mężczyzn zgodnie z art. 2 Traktatu o Unii Europejskiej, art. 8 oraz 10 Traktatu o Funkcjonowaniu Unii Europejskiej, art. 23 Karty Praw Podstawowych.

LEARNING ACCOUNTS**

Equality between women and men is enshrined in the treaties of the European Union as a fundamental right. Poland ensures equality between women and men within the Polish national legal system in accordance with international human rights treaties and within the framework of the fundamental values and principles of the European Union. For these reasons, in place where the recommendation refers to gender equality, Poland will interpret it as equality between women and men, according to Article 2 of the Treaty on European Union, Article 8 and 10 of the Treaty on the Functioning of the European Union, as well as art. 23 of the EU Charter of Fundamental Rights.
