**'I/A' ITEM NOTE**

---

From: General Secretariat of the Council  
To: Permanent Representatives Committee (Part 1)/Council  
Subject: Council Decision on the extension of the Agreement on the promotion, provision and use of Galileo and GPS satellite-based navigation systems and related applications between the European Community and its Member States, of the one part, and the United States of America, of the other part  
*- Adoption*

---

1. On 14 January 2022, the Commission submitted a proposal for a Council Decision on the extension of the Agreement on the promotion, provision and use of Galileo and GPS satellite-based navigation systems and related applications between the European Community and its Member States and the United States of America for a period of five years.
2. At its meeting on 1 February 2022, the Commission presented the proposal for the extension of the Agreement, and the Working Party on Space examined the proposal. Following a written consultation concluded on 11 February 2022, it agreed on the text and on requesting the consent of the European Parliament.

3. The Council decided to request the consent of the European Parliament on the draft Decision on the extension of the Agreement<sup>1</sup>.
4. At its plenary session of 7 June 2022, the European Parliament gave its consent to the draft Decision on the extension of the Agreement.
5. The Permanent Representatives Committee is asked to suggest that the Council decide, as an ‘A’ item at a forthcoming meeting, to adopt the draft Decision on the extension of the Agreement as set out in 6531/22.
