Dear **DELETED**,

Further to our letter of 22 June 2022 regarding your request for access to documents, the General Secretariat of the Council is now in a position to reply regarding the two remaining documents<sup>1</sup>.

After having consulted the Energy Charter Secretariat, the General Secretariat of the Council has come to the following conclusion.

You may have access to the **Message 1584/19 Rev 5** except to the parts which contain personal data about a member of the Energy Charter Secretariat.

Disclosure of this information would undermine the protection of privacy and the integrity of the individuals in question, in particular in accordance with European legislation regarding the protection of personal data.<sup>2</sup> Accordingly, pursuant to Article 4(1)(b) of the Regulation (EC) No 1049/2001 (protection of privacy and the integrity of the individual), the General Secretariat is unable to grant you access to these parts of the document.

---

<sup>1</sup> The General Secretariat of the Council has examined your request on the basis of the applicable rules: Regulation (EC) No 1049/2001 of the European Parliament and of the Council regarding public access to European Parliament, Council and Commission documents (OJ L 145, 31.5.2001, p. 43) and the specific provisions concerning public access to Council documents set out in Annex II to the Council's Rules of Procedure (Council Decision No 2009/937/EU, OJ L 325, 11.12.2009, p. 35)

<sup>2</sup> Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data (OJ L 295, 21.11.2018, p. 39).

However, as abovementioned, pursuant to Article 4(6) of the Regulation, you may have access to the rest of the document which is not covered by this exception.

I regret to inform you that access to document [14382/19](#) cannot be given for the reasons set out below.

Document [14382/19](#) is a Note of 20 November 2019 from the General Secretariat of the Council to the Permanent Representatives Committee/Council on the Energy Charter Conference which contains a document from the Energy Charter Secretariat on the draft conclusions of the review conducted in accordance with Article 34(7) of the Energy Charter Treaty and a draft budget for 2020-2021.

This document contains information the disclosure of which would undermine the relations between the European Charter Secretariat and the contracting parties of the Energy Charter Treaty.

Disclosure of the document would therefore undermine the protection of the public interest as regards international relations. As a consequence, the General Secretariat has to refuse access to the document.<sup>3</sup>

We have also looked into the possibility of releasing parts of the document.<sup>4</sup> However, as the exception to the right of access applies to its entire content, the General Secretariat is unable to give partial access at this stage.

Concerning the draft budget 2020-2021, the Energy Charter Secretariat has informed us that the final version is public and available via the following link: ([CCDEC 201913](#)).

We apologise for the delay in replying to your request.

Pursuant to Article 7(2) of Regulation (EC) No [1049/2001](#), you may ask the Council to review this decision within 15 working days of receiving this reply. Should you see the need for such a review, you are invited to indicate the reasons thereof.

Yours sincerely,

Fernando FLORINDO

Dear Sir or Madam,

I herewith fill an confirmatory appeal. During the period of my question, the Energy Working Group held several meetings to discuss the modernisation of the Energy Charter Treaty. In such an important institution as the EU, there will certainly be documents on these meetings, on the preparation, lists of participants as well as minutes. Unfortunately, you did not mention these meetings or the relevant documents in your answer. I would therefore ask you to send me these documents as soon as possible.

I would also like to ask you to send me the documents for which you have initiated external consultations.

Sincerely yours,

**DELETED**
