'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	SCA/Council
Subject:	COMMISSION DELEGATED REGULATION (EU) .../... of 27.6.2022 supplementing Regulation (EU) 2018/848 of the European Parliament and of the Council as regards the use of non organic protein feed for the production of organic livestock due to Russia's invasion of Ukraine <i>- Intention not to raise objections</i>

1. On 27 June 2022, the Commission submitted the above-mentioned delegated act to the Council in accordance with the procedure set out in Article 290 TFEU and Article 22(1) of Regulation (EU) 2018/848 on organic production and labelling of organic products (doc. 10737/22).
2. During the consultation procedure within the framework of the Special Committee on Agriculture, which expired on 6 July 2022, no delegation indicated an intention to object to that delegated act.
3. The General Secretariat therefore suggests that the SCA recommend that the Council confirm that it has no intention to object to the delegated act and inform the Commission and the European Parliament thereof. This implies that, unless the European Parliament objects to the delegated act, it will enter into force in accordance with Article 54(6) of Regulation (EU) 2018/848 on organic production and labelling of organic products.
