Statement of NL, CY, FR on item 56 Council Decision requesting the Commission to submit a study concerning the application on Directive 97/67/EC [Postal Directive] and a proposal if appropriate

Netherlands, Cyprus and France abstain from supporting the references in Council Decision 11187/22 to parcel delivery services (recital 2) and new players in e-commerce (recital 6) while concluding that there might be a need to revise the Postal Directive 96/67/EC to address the above-mentioned challenges.
