Conclusions on COVID-19
- Adoption

On page 5, point 15, item a) should read:

- "a) take the necessary and appropriate measures to ensure the protection of public health, taking into account the particular attention to be paid to all forms of international travel. Those measures should ensure in particular that:"

On page 7, point 16, item e) should read:

- "e) promote amongst Member States the alignment of appropriate and cost-effective measures designed to protect and save lives and to efficiently minimise the risk of an increase in COVID-19 cases, as well as the consistent application of adequate rules for non-pharmaceutical countermeasures including isolation, quarantine and social distancing based on the current dynamics of the epidemiological situation, in line with scientific advice from ECDC and WHO;"
