**Statement by the German delegation**

2747th meeting of Coreper 1 – part 1, agenda item 60 (end-of-life vehicles)

Statement for the minutes by Germany

Germany assumes that the Annex will be corrected as follows.

15229/19 ADD 1:

Points 1 to 3 of the Annex, amending Annex II table entries 8(e), 8(f)(b), 8(g)(i) and 8(g)(ii) of Directive 2000/53/EC, right-hand column in the table:

in each case: ‘X’

should read: ‘X (4)’

The previous (bracketed) reference to the existing footnote 4 has been removed in entries 8(e), 8(f)(b), 8(g)(i) and 8(g)(ii), without reasons being given. Removing footnote 4 in these entries would conflict with the existing footnote 5, as the two footnotes are linked: footnote 5 assumes that footnote 4 is included in all entries 8(a) to 8(j). Footnote 4 should therefore be reinserted in entries 8(e), 8(f)(b), 8(g)(i) and 8(g)(ii).
